1776 ★ 1976

One might wonder if George Washington, surveying the snow at Valley Forge, ever anticipated a two-hundredth birthday for the young, weak, and divided nation whose rag-tag army he led. Whatever little he probably thought about the prospect, here we are, in 1976, about to celebrate America's Bicentennial. We are citizens of the same country that he was so long, long ago. Today, perhaps, we are a little more powerful, a little more affluent than were are ancestors; our country is now neither weak, hopelessly divided, nor especially young. The U.S. has grown from a gathering of rebellious English colonies over two centuries ago to the keeper of the light of freedom in the contemporary world.

Our nation's first two hundred years traveled a twisted, arduous path — at each turn a crisis, a vital decision to be made, an everlasting quest to be fair to all men and yet let all men rule. The road the people of America have chosen to hoe was never an easy one; it is filled with compromise, strife, and discontent. Our self-reliant fathers steered clear of the easy trap of totalitarianism that so many fledgling nations succumb to, keeping instead on the road of democracy, making corrections slowly by trial and error. It took a long time to get just the right power balance between local and national government. It took a long time to work out all the issues that came with our expanding nation. The United States withstood a great civil war. Our country became more just in principle at each crossroad; gradually, Americans began to throw off their coat of isolationism in efforts to bring their type of free society to other men, and many times they have joined to combat the spread of mindless tyranny to the less fortunate.

The mark of an ideal man is a feeling of responsibility towards his fellow man. Now, America has not always worn the white hats — we have our share of greed and thoughtlessness, too. The ideal man, or the ideal country, has never and probably will never exist — not if humans stay the way they basically are. It is just that we feel our way is closer to what is right, and we are in a position to give a lift to those who have need, those who want the chance to control their own lives, to those who covet the sunshine of freedom.

And so we arrive at our Bicentennial. We live today in a time of re-adjustment, a re-defining of traditional practices. Outmoded ideas are going by the board, and new practicalities are taking their place. One by one the ties with yesterday's world are breaking. Change, for better or for worse, is accelerating. New fields are being opened up. New problems are being discussed. New humans are taking their places in life. New lifestyles are forming. The future is rushing toward us.

But in the seeming mayhem of social, economic, and contextual evolution, we cannot attempt to rationalize away our responsibilities to ourselves and to others. We, in America, must continue to set our sails by the star that our founding fathers fixed for themselves when they brought democracy to the new world. We must attempt to follow its path as well as we possibly can. We must have faith that if we doggedly, persistently, unerringly, and high-mindedly stick it out, a brighter day will come. We must hope for the future, that it will be better than the past. Many have given much to hoe the rough road. It is because of them that we are even here to celebrate a bicentennial. It reminds us to follow their star.

We are America: you, I, the neighbor across the street, the farmer in Arkansas, the assembly-line man in Detroit, the executive in Los Angeles. We are all participants in a partial fulfillment of a dream that began with creation — the dream that all men should start equal and be given freedom to live as they choose from there. And therein lies our challenge, to conquer the apathy of frustration, to live for tomorrow, to make less and less partial the fulfillment of the dream. The foundations were laid two hundred years ago; the building, however, is far from finished.

This yearbook, and all the long effort put into its pages, is dedicated to our own little section of America, Mt. Pleasant; to the Bicentennial; to our country's legacy, past and present; and to the future of the United States.

Mark Coleman '77

WE HONOR A GOOD FRIEND

His school day begins early and ends late, and as the days become weeks, then months, his months never seem to end for there is that last bill to be paid – usually incurred by some student activity – or one more requisition to be completed for school supplies.

He began his Mt. Pleasant Career as a Math teacher in 1968 but soon found himself in the role of an administrator, a position whose limits become limitless.

There is hardly a time that his office is free of students who need guidance and supervision as they pursue financial stability for their activities be it advising a senior treasurer or a yearbook business manager.

His chief virtue is his sincere devotion to not only the school but also the students.

Because he is a keystone in the structure of school life, we feel it a privilege to honor our good friend, **Mr. Richard Huffman.**

38th President

candid by Susan Ford

Sherman W. Tribbitt Governor of Delaware

STATE OF DELAWARE
EXECUTIVE DEPARTMENT
DOVER

SHERMAN W. TRIBBITT
GOVERNOR

To The Students Of
Mount Pleasant High School:

It has been said that "the foundation of every State lies in the education of its youth."

You, the students of Mount Pleasant High School, are helping to build a stronger Delaware and a greater United States of America in the future by your efforts and perseverance in pursuing your education.

As the Class of 1976, you personify the hopes of America for its third century. May you wisely apply the knowledge you have gained towards fulfilling your career goals and may you help insure the promise of America for yourselves and generations for years to come.

Sincerely,

Sherman W. Tribbitt
Governor

Messages from our Senators

Senator William V. Roth Jr.

"In celebrating the birth of this great nation of ours we are honoring the courage the men and women who fought for the freedoms we enjoy today. You represent the future of America. I have every faith that you will demonstrate the courage and and wisdom necessary to meet the challenges of tomorrow and to preserve these unique freedoms."

Senator Joseph R. Biden Jr.

"It's a pleasure to extend to Mount Pleasant High School my best wishes in this bicentennial year of 1976. Two hundred years young is a good time to rededicate ourselves to the ideals which motivated our founding fathers – and to recapture for the future that same spirit which has produced a national heritage of which we can all be proud."

and Representative

Congressman Pierre S. duPont

"The importance of the bicentennial lies not so much in the many symbols of our heritage that surround us in this year but rather in the importance of our understanding and appreciating our heritage. A sense of what has given us our freedoms is essential to the maintenance of them."

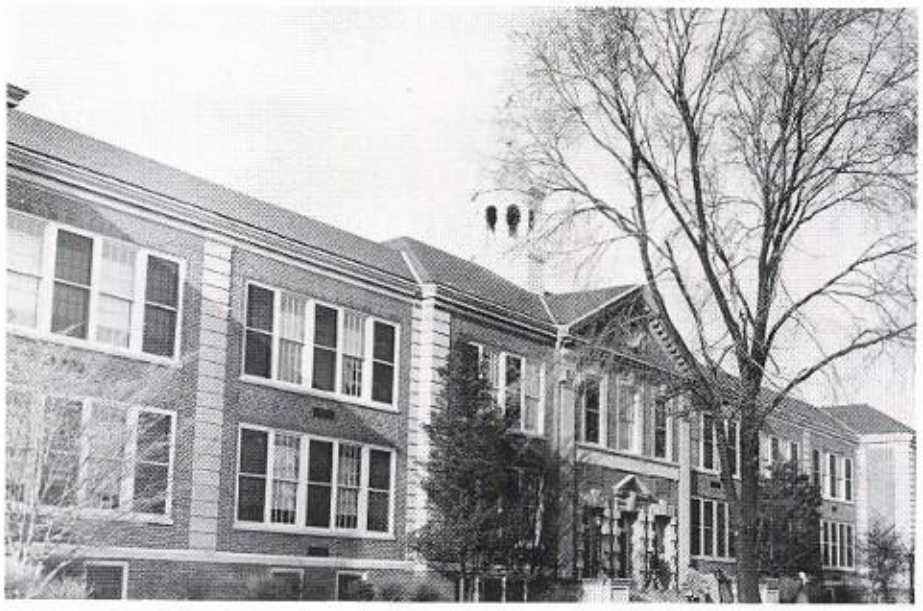
Anniversaries have a habit of conjuring up memories of the past; this being the year of America's Bicentennial, we reviewed Mount Pleasant's role in the nation's history during this two hundred year period. Although only a recent newcomer to the American scene, the Mount Pleasant School District has played a vital role in the development of the nation's youth, and because of its high position in all phases of education, many reminiscences, looking back through the years, come to light.

1855 – The original schoolhouse was built on the Cartwell Estate, an area that was mostly farmland that now comprises the property of William du Pont.

1863 – Mr. Hanson Robinson bought the Cartwell Estate and the original school, donating a piece of land for a new schoolhouse.

1865 – The new one-room schoolhouse, built from stone, was constructed on the Philadelphia Toll Pike opposite the Mount Pleasant Methodist Church.

1910 – The Mount Pleasant School housed primary and intermediate grades with some classes being held in the barn of Mr. William Jordan. Miss Mary J. Robinson, a teacher of the Intermediate grades, formed an Audubon Society; members of the group wore badges with a green and white ribbon. This may have been the origin of the present school colors.



1932 – The present Mount Pleasant Intermediate school was constructed. It housed grades 1 through 8 and had an enrollment of 400 pupils.

1944 – Parents petitioned the State Board of Education to expand the educational program in the district to grades 1 through high school.

1945 – The State Board of Education recognized the Mount Pleasant District as a special district, enabling the educational program to be supervised by a Board of Education and a superintendent.
The first Board of Education included
– Mr. C. Edward Duffy, President
– Mrs. Lillian L. Paschall, Vice President
– Dr. Crayton K. Black
– Mrs. Elizabeth C. Rinehart
– Dr. Ross L. Neagley, First Superintendent.

1947 – Grades through the twelfth were added. Ray Schwinger became first principal.

1948 – Two new elementary schools, housing grades 1 through 6 were added. These were Silverside and Edge Moor.

1949 – Mr. John F. Heiney became Superintendent. The elementary schools had full time principals in charge.

1950 – Mount Pleasant graduated its first class. The Class of 1950 was composed of 31 boys and 33 girls. Mount Pleasant became a full-fledged high school accredited by the Middle Atlantic States Association of Colleges and Secondary Schools. The total enrollment for the district was now 1,472 pupils, 543 in the Junior-Senior High School.

1954 – River Road Elementary School and the new gym on the High School were built.

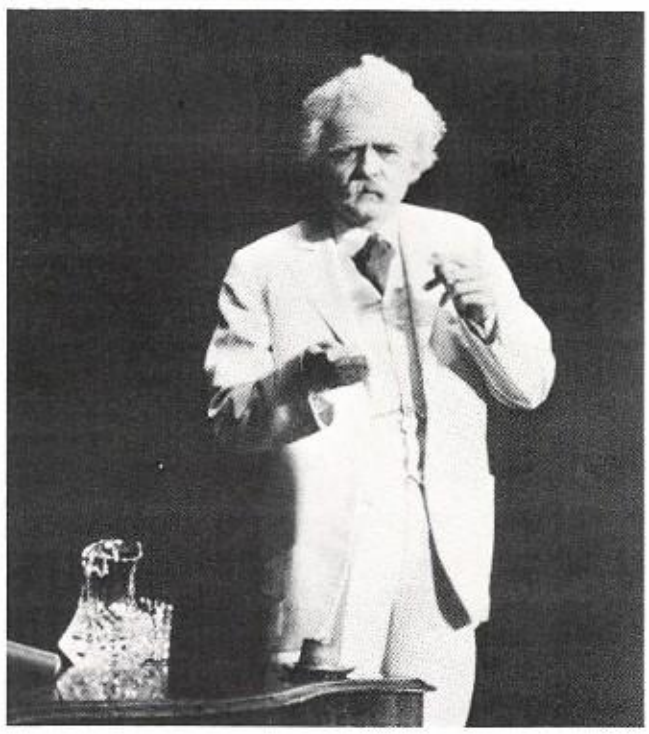
1956 – Carrcroft Elementary School was completed. The enrollment was now 3,250 pupils, 1,950 of them in grades 1 through 6 and 1,300 in grades 7 through 12. Principals of the Elementary schools were Mr. Thomas D. Childrey, Carrcroft; Mr. Joseph Connelly, Edge Moor; Mr. Lawrance M. Furbush, Jr., River Road; and Mr. Jack G. Rockwell, Silverside.

1958 – Mount Pleasant Senior High School was occupied for the first time. Kenneth E. Michael became principal.

1960 – Dorothy Stickney who created the rule of Mother on Broadway in **Life With Father** presented **A Lovely Light,** The Touching Cameo study of poet Edna St. Vincent Millay.

1962 – Charles Bomboy, who had formerly been a Biology teacher, was named principal to succeed Mr. Michael. Laura Benet, sister of the famous poet Stephen Vincent Benet and a poet and author in her own right, made her first of several appearances at Mr. Pleasant.

Mahalia Jackson, one of the world's greatest gospel singers, attracted a huge audience in her concert here.



Hal Holbrook in the person of Mark Twain thrilled a capacity audience with his historic performance as the illustrious author. Earl Wrightson and Lois Hunt of Broadway and Opera Fame made musical magic for another vast audience.

1963 – John Ciardi, well-known poet and poetry editor of **The Saturday Review** lectured to a very appreciative audience.

1964 – Leon Bibb, brilliant folk singer, performed to another "Full House". The ever popular piano duo Ferrante and Teicher excited still another capacity crowd in their appearance here. Mt. Pleasant audiences heard the stunning De Cormier Folk Singers. Noted composer Cy Coleman proved his virtuosity on the key board.

Senator Edward Kennedy accepted for the John F. Kennedy Library a copy of the 1964 Green Leaf, edited by Frank Jones, son of Mrs. Joan Jones (language department). Delaware Senators John William and Caleb Boggs were part of the Mt. Pleasant contingent for the presentation. The Green Leaf that year dedicated two pages to the assassinated president.

1965 – It was a night to remember when British Actor-Author Emlyn Williams brought Charles Dickens to life on our stage. A most charming folk singer Kay Britten made one of her several appearances here.

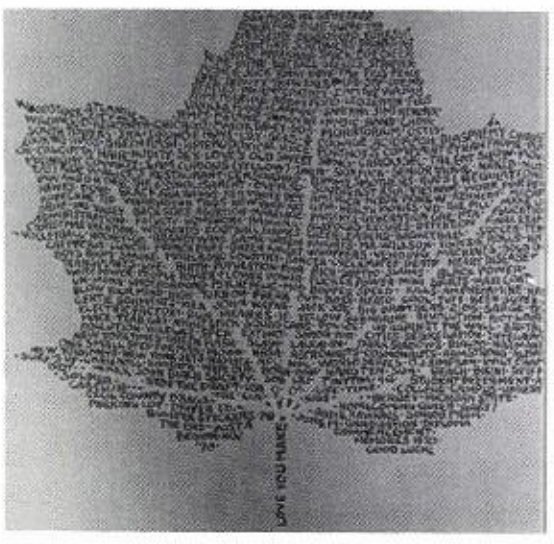
The then very popular Serendipity Singers gave a really great show. An evening of Edgar Allan Poe by Nelson Olmsted fascinated and often amused lovers of the distinguished poet's works, especially the reading of "The Bells".

1966 – Jasper Deeter, Founder and director of the World Renowned Hedgerow Theatre and personal friend of playwright Eugene O'Neill, read scenes from A Long Day's Journey Into Night. Another Biology teacher, John Michalcewiz succeeded the late Mr. Bomboy as principal of the High School.

1967 – And Still more distinguished visitors to Mt. P. in the person of Nicholas Lindsay, son of Illinois poet Vachel Lindsay. A poet himself, we heard the poems of his immortal father read impeccably.

Mt. Pleasant made state history by winning the First State Basketball Tournament. Coach Buddy Clark led the way.

1969 – The first of the Student Council Rock Concerts-Vanilla Fudge. Crowds reminiscent of the past English Department artist series were mesmerized by this exotic group.



1970 – The Yearbook of yearbooks. Almost a collector's item now. The first all-school musical – Rodgers and Hammerstein's enduring **Carousel.**

And as the jacket of their hit album still proclaims, Chicago at Mt. Pleasant.

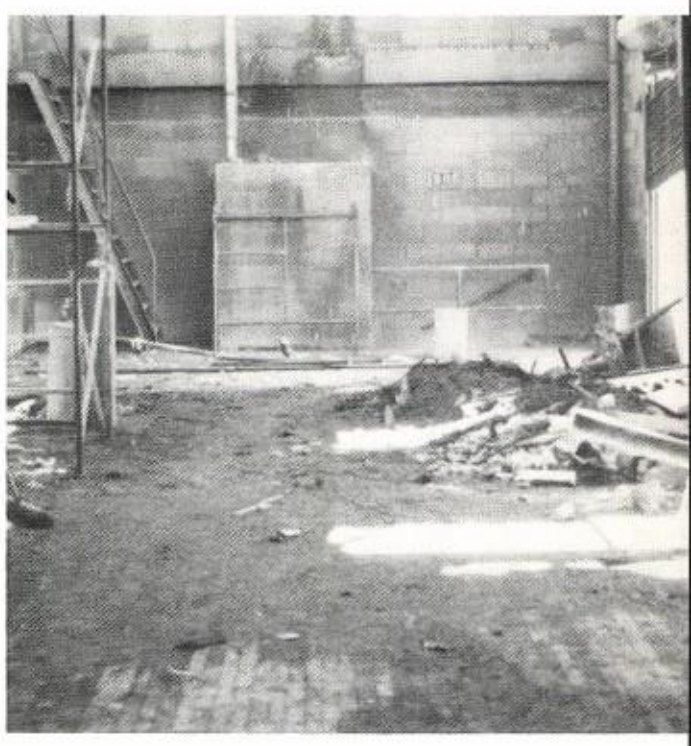
1971 – Opera Club members heard world famous tenor Richard Tucker at the Academy of Music in Philadelphia. The Paul Butterfield Blues Band continued the stream of great Rock Concerts by the Student Council. The musical that year was **The King and I.**

On Earth Day, April 21, Theta, a sculpture of Serpentine Stone by Chadds Ford Sculptor, Phelix Brandimarti was unveiled in special ceremonies before many distinguished dignataries. The sculpture now graces the lobby of the High School.

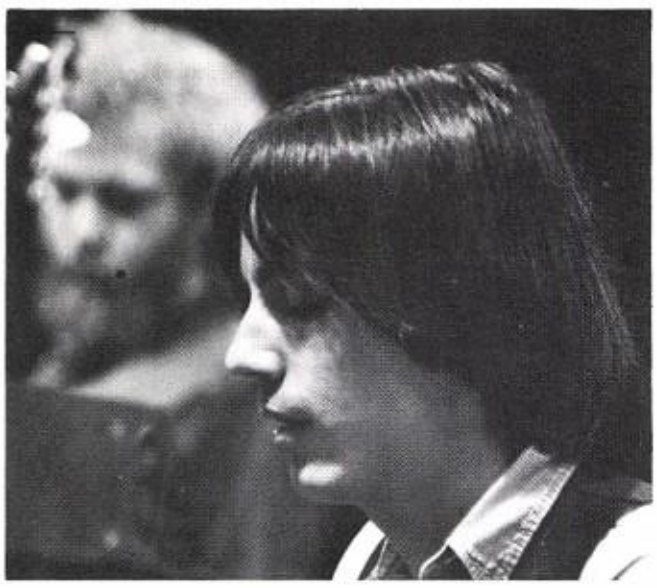
1972 – We discovered the many moods of B.B. King, Ed Earle of Bucks County and Broadway Fame came here to direct a stunning **West Side Story.** John Calvin, member of the class of '65, made bigtime on T.V. as the son-in-law on the Paul Lynde Show.

1973 – John Dossett made stage history. A Freshman, he was cheered for an encore with Sit Down You're Rocking The Boat in **Guys and Dolls.**

The Opera Club met Luciano Pavarotti backstage at The Academy after a performance of Rigoletto. Mr. David K. Fauser assumed the office of Supt. of Schools.

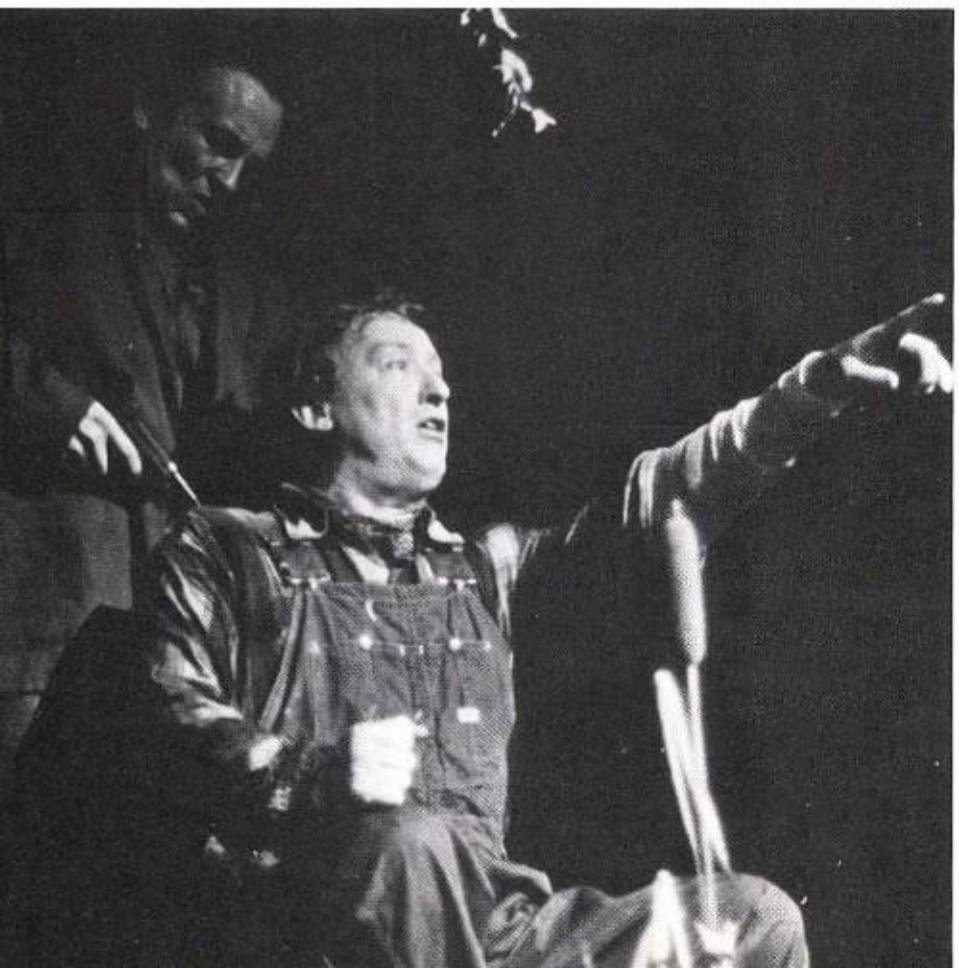


THE AUDITORIUM FIRE



Mr. Ed Earle returned as artist in residence to stage a memorable **Carnival**. Tom Poston graced the Mt. P. Stage in an unforgettable performance as Lennie in the Bucks County production of John Steinbeck's **Of Mice and Men.**

1974 – The Student Council Rock Concerts did it again with Jackson Browne and Linda Ronstadt.



1975 – The Music Man was added to the impressive list of all-school musicals. The auditorium fire which inconvenienced some phases of school life but which did challenge the ingenuity of the staff and students to carry on as before.

Browsing through these pages makes us very much aware that we have much reason to join in our nation's Bicentennial Celebration as we have had the privilege of quality education, that our past is well-documented with note worthy people and that we have been exposed to the most distinguished of our country's cultural scene.

Ted Barnett: First Team All-Conference, Second All-State.

Dave Smith: Alias Smith Dave.

Mt. Pleasant can well be proud of the finest soccer team in the history of the sport at our school. Except for losing in the semi-finals of the State Tournament to Brandywine, whom they had defeated earlier in the season, The Knights' displayed stunning power by finishing the regular season with an 11-2 record. They defeated Cape Henlopen in the quarter-finals; this according to Coach Landis was their finest hour.

The outstanding characteristic of this squad was their cohesiveness; they performed as a team. Their strength was the balance of power both offensively and defensively.

Among the players who distinguished themselves were Bruce Jornlin, Dave Smith, Leif Alnes, and Gary Essayan, the goalie who managed 10 shutouts during the season. This year's Captains were Steve Schall and Bruce Jornlin.

When the All-State players were selected, Mt. Pleasant placed Leif Alnes 1st Team, Ted Barnett and Al Flores 2nd Team. Named to the All-Conference First Team were Leif Alnes and Ted Barnett; Second Team, Al Flores; 3rd Team, Steve Schall and Bruce Jornlin.

Ably assisted by Mr. David Menser, Coach Landis was proud of the Team's best record to date.

Gary Essayan, had 10 shutouts this season.

EXCITING HOCKEY SEASON

Because of the 1975 Girls Hockey Team's successful season with a record of 9 wins, 3 losses, 1 tie, they advanced into the state tournament as the at large team. They opposed Laurel but unfortunately Laurel slid by with a victory of 1-0.

The team, coached by Miss Ewan and Miss Ellison, was of unusual size of 60 girls. There were two practice sessions a day, and three sections, Varsity, J.V., and Freshman. The coaches tried a number of new systems. The girls went with the new advanced 4-2-3-1 system, which allows deeper defense, more mid-field play, and a very aggressive front. This also taught the girls more versatility of positions.

The team spirit was kept high by the captains, Sue Manners and Alice Biddle. The managers were Marie Diane, Mary Ellen Schnieder and Siobain Mulhern.

1st: Mary Ellen Schneider, Jeanett Mori, Sue Manners, Denise Bratten, Julie Schumacher, Kathy Koelle, Alice Biddle, Thea Amato. 2nd: Siobahn Mulhern, Alice Wainwright, Kelly Craig, Mary Potts, Barbara Lilley, Mary Diana, Miss Ewan.

Mr. Nick Dellaquila, who had been an assistant coach for two years, advanced to Head Coach when former Coach Tom Lapinski accepted Head Coach at Swarthmore. Well-experienced for the job, Mr. Dellaquila had high hopes with newcomer Terry Short as quarterback and returning lettermen Carl Malatesta, Joe Drane, and Steve Cluff, who were elected captains.

This was a disappointing season for the Knights who finished with four wins and six losses. Although the defensive performance was exceptional in most games, the greatest disappointment was the number of turnovers by the offense. Steve Cluff, however, turned in a generally outstanding performance in most games.

After a humiliating loss to St. James in the opener, and to Concord, the Knights came back and defeated Delcastle and Wilmington. Then came the Newark game, the toughest of the season; the Knights played well, but the victory went to Newark. The Knights squeaked by Christiana, with a field goal by John Kotula and managed to win against William Penn. The loss to Brandywine was one of the real setbacks of an otherwise difficult first year for Coach Dellaquila.

The following Green Knights earned selections: Ed Pettee, 1st Team Defensive End; Don Goodman, 1st Team Offensive End; Joe Gutosky, 2nd Team Guard; Chris Rowe, 2nd Team Defensive Tackle; John Kotula, 2nd Team Specialty; and the following Honorable Mentions: Steve Cluff, Matt Engler, Terry Short, John Kotula, and Glenn Thomas.

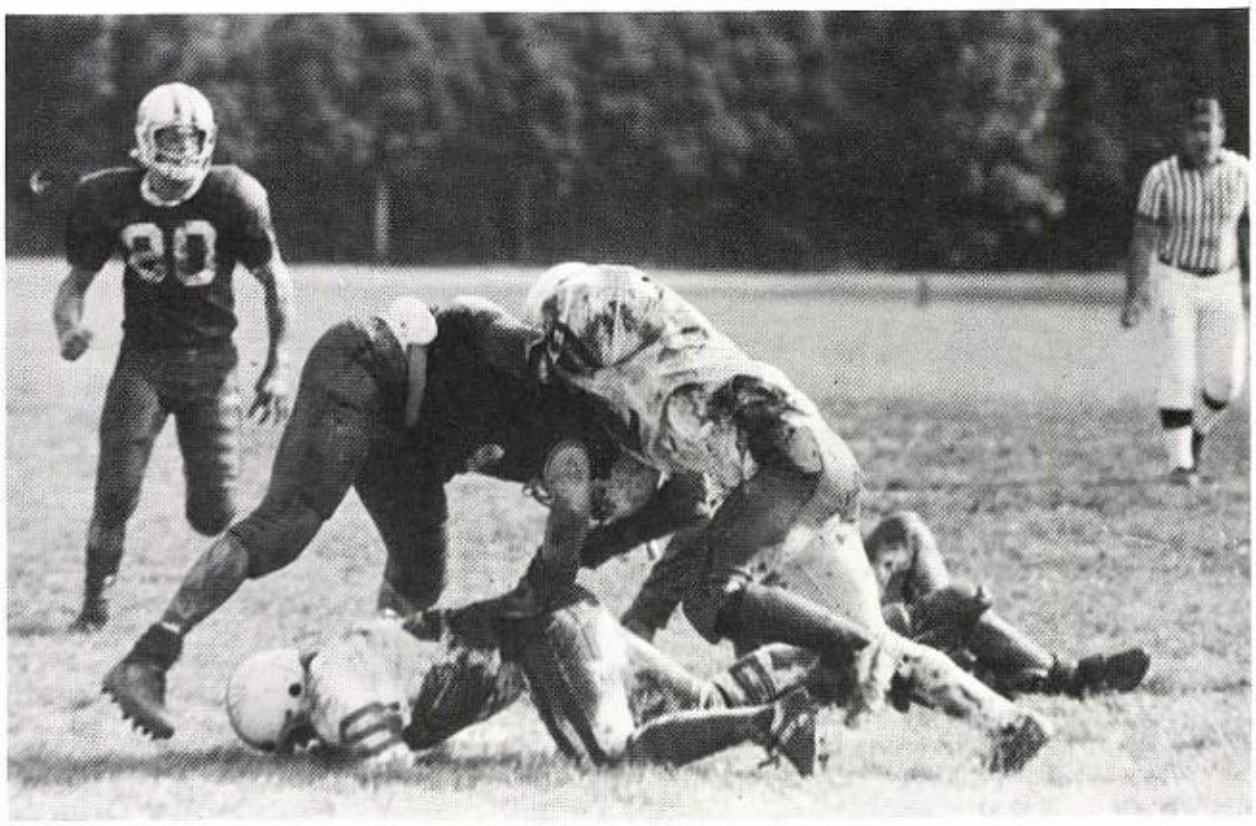
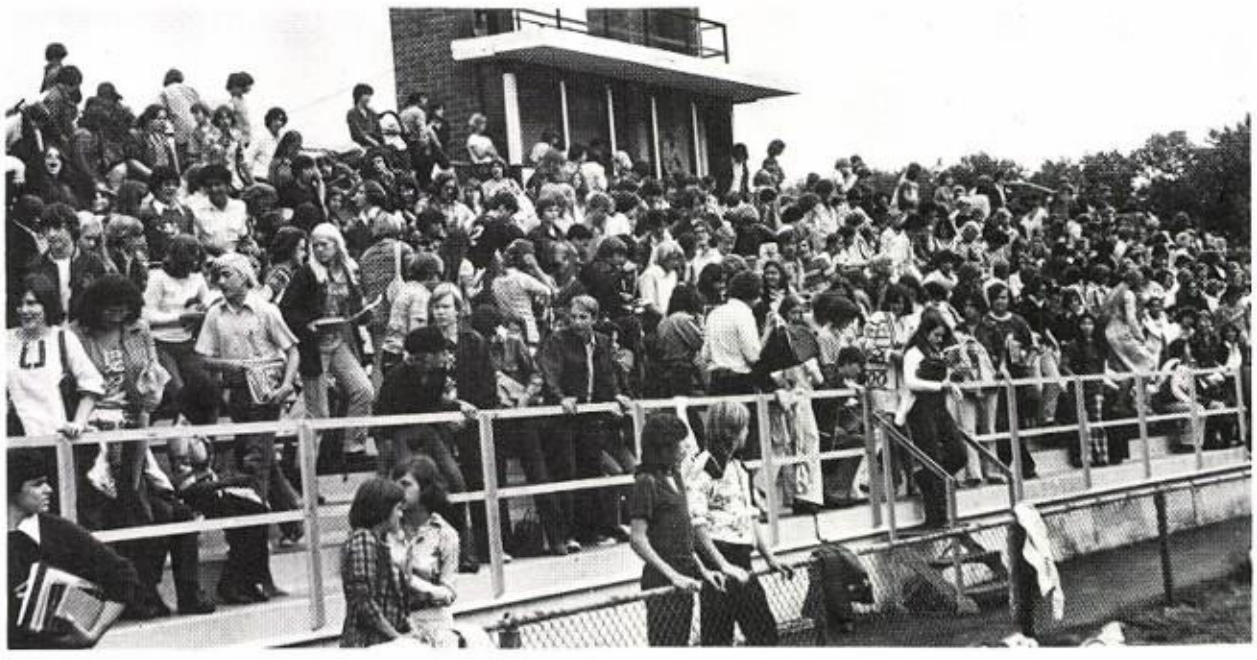
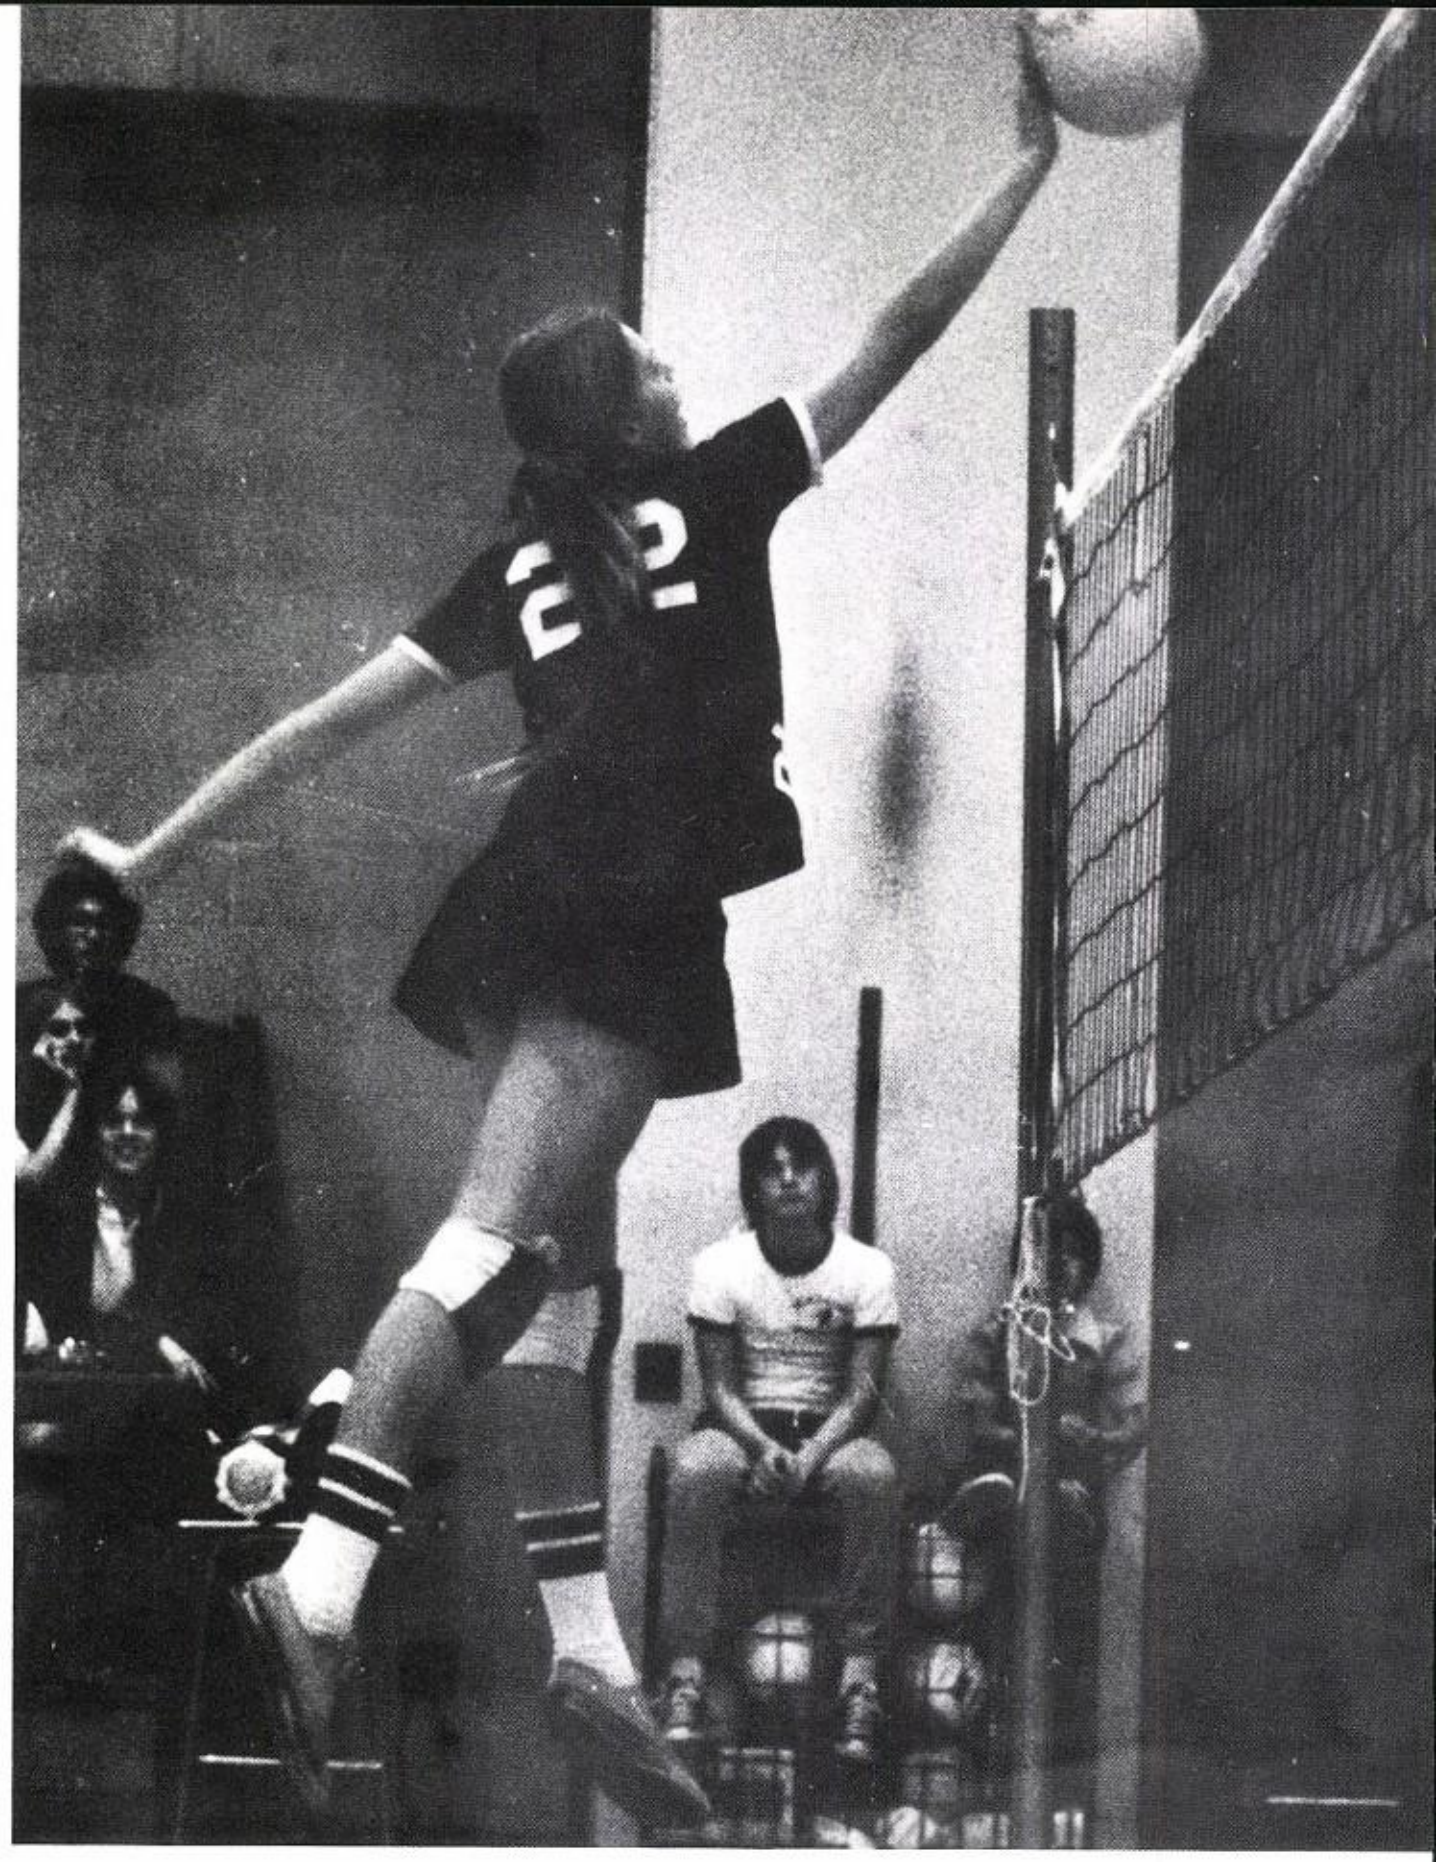
Coach Max in "action"







The 1975 Girls Volleyball Team had a very successful season, a record of 12 wins and 2 losses, which put them in the State Tournament as the at large team. They played against Christiana, to whom they had lost during the regular season, and won with a score 2-1. They then went on to battle for first place against A. I. duPont. A. I. duPont slid by with a winning score of 2-1; the Green Knights took second place in the conference.

The team of 33 girls was coached by Mrs. Stewart and a volunteer assistant, Mrs. Bekowski. The girls worked hard diving and rolling for the ball, spikes and setups. The team spirit was kept up by Varsity captains, Karen Huber and Debbie Brand; J.V. captains, Beth Jacks and Dora Ritter. The managers were Cathy Craig and Connie Lee.

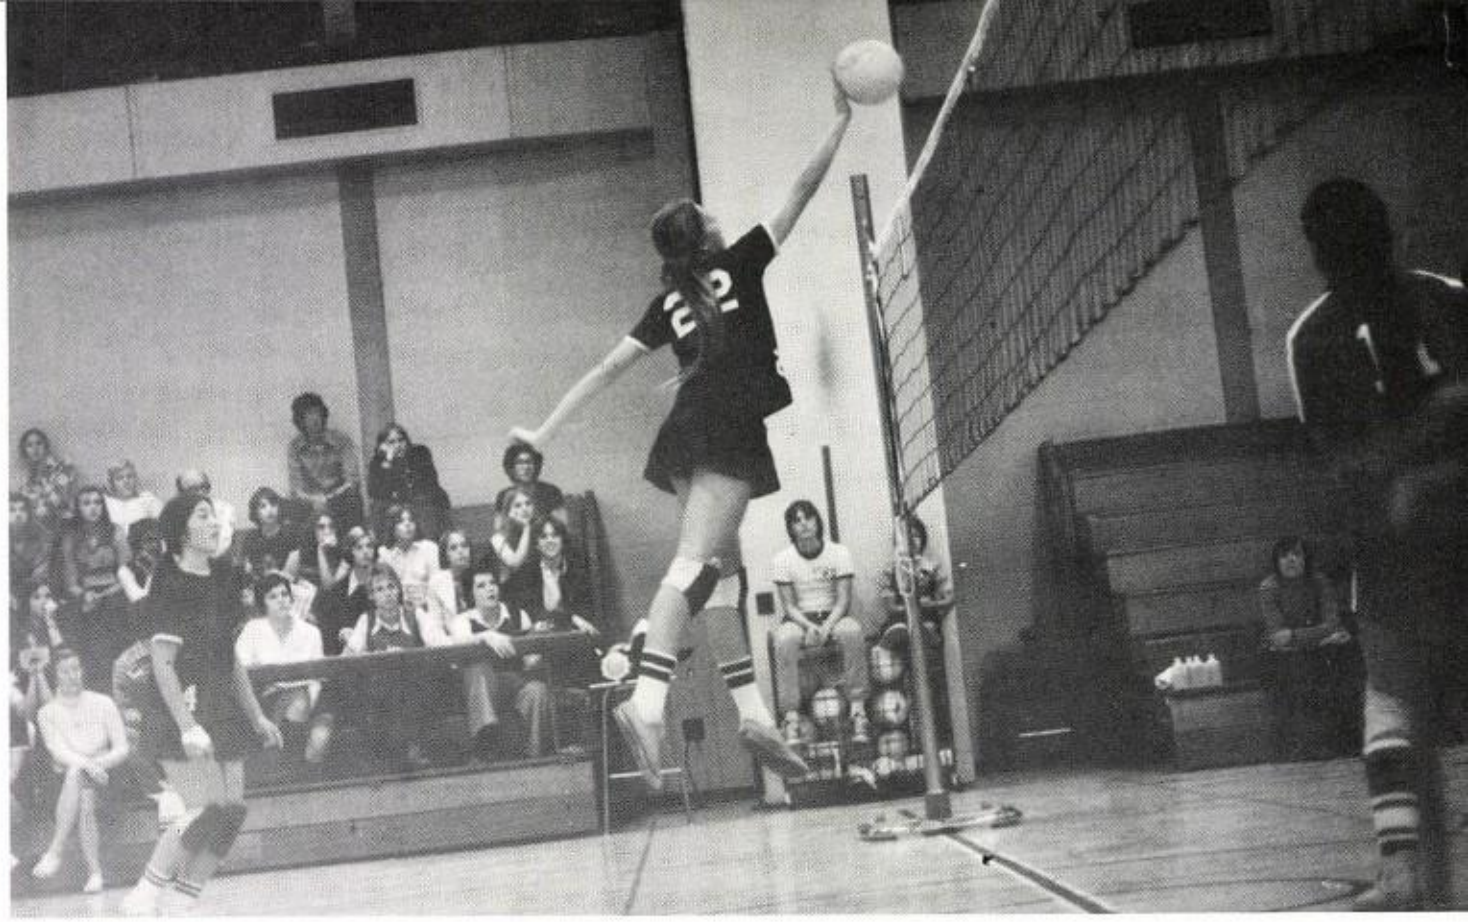
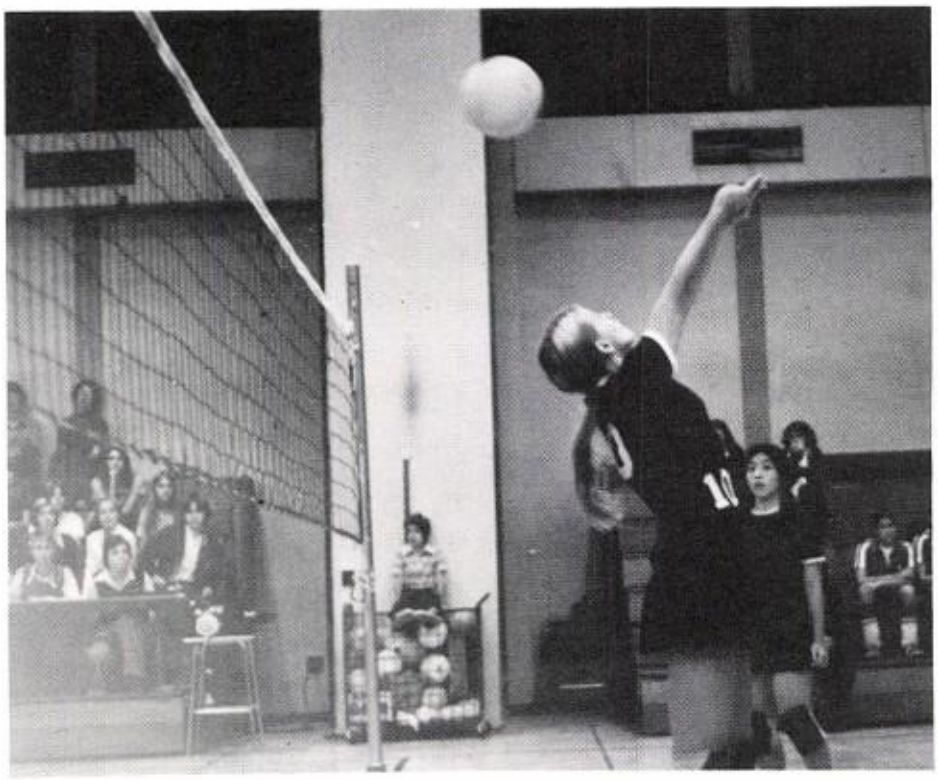
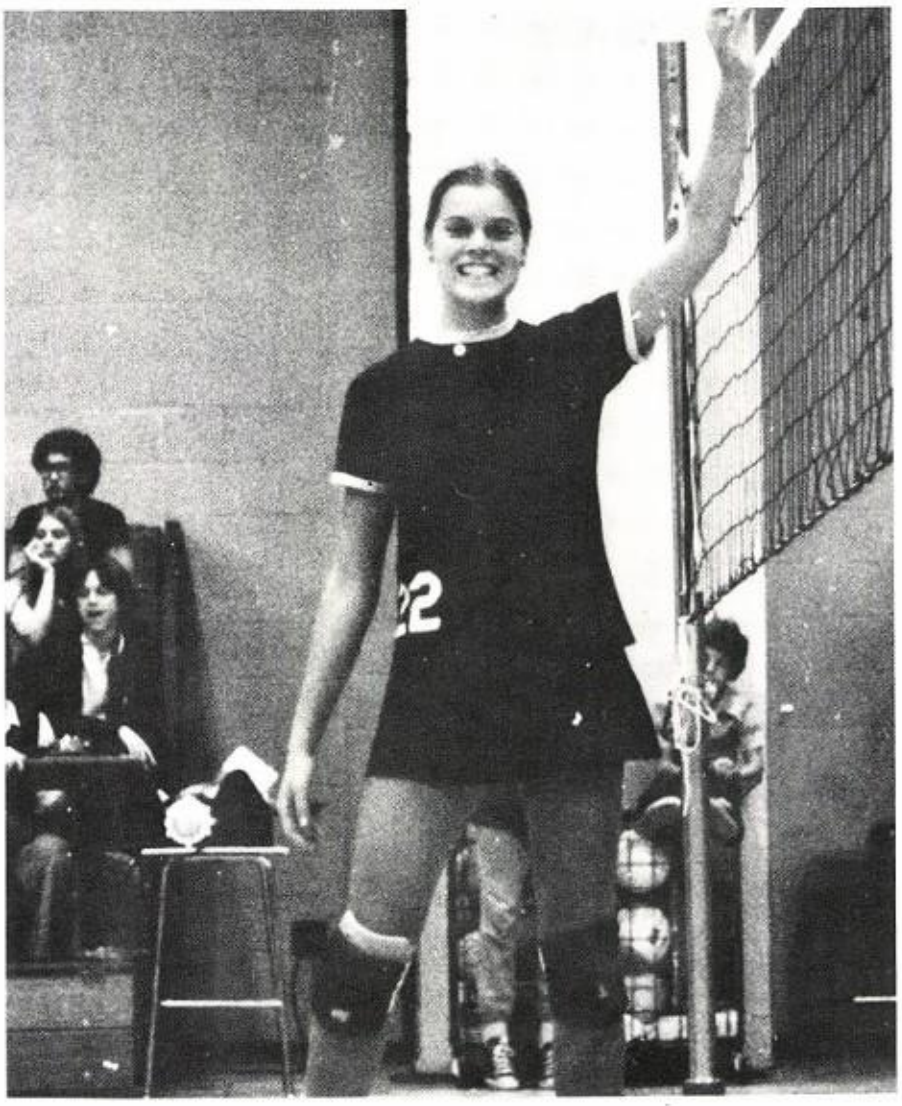
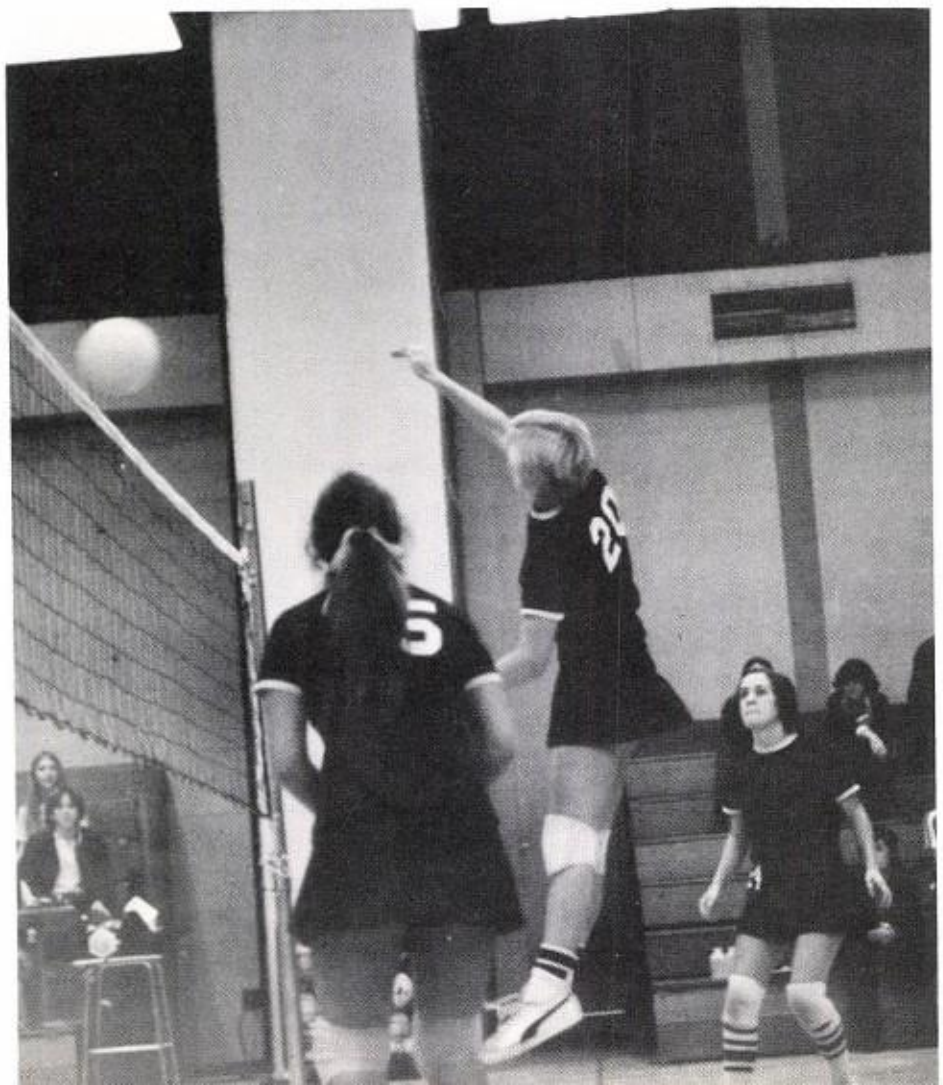
STATE TOURNAMENT RUNNER-UP



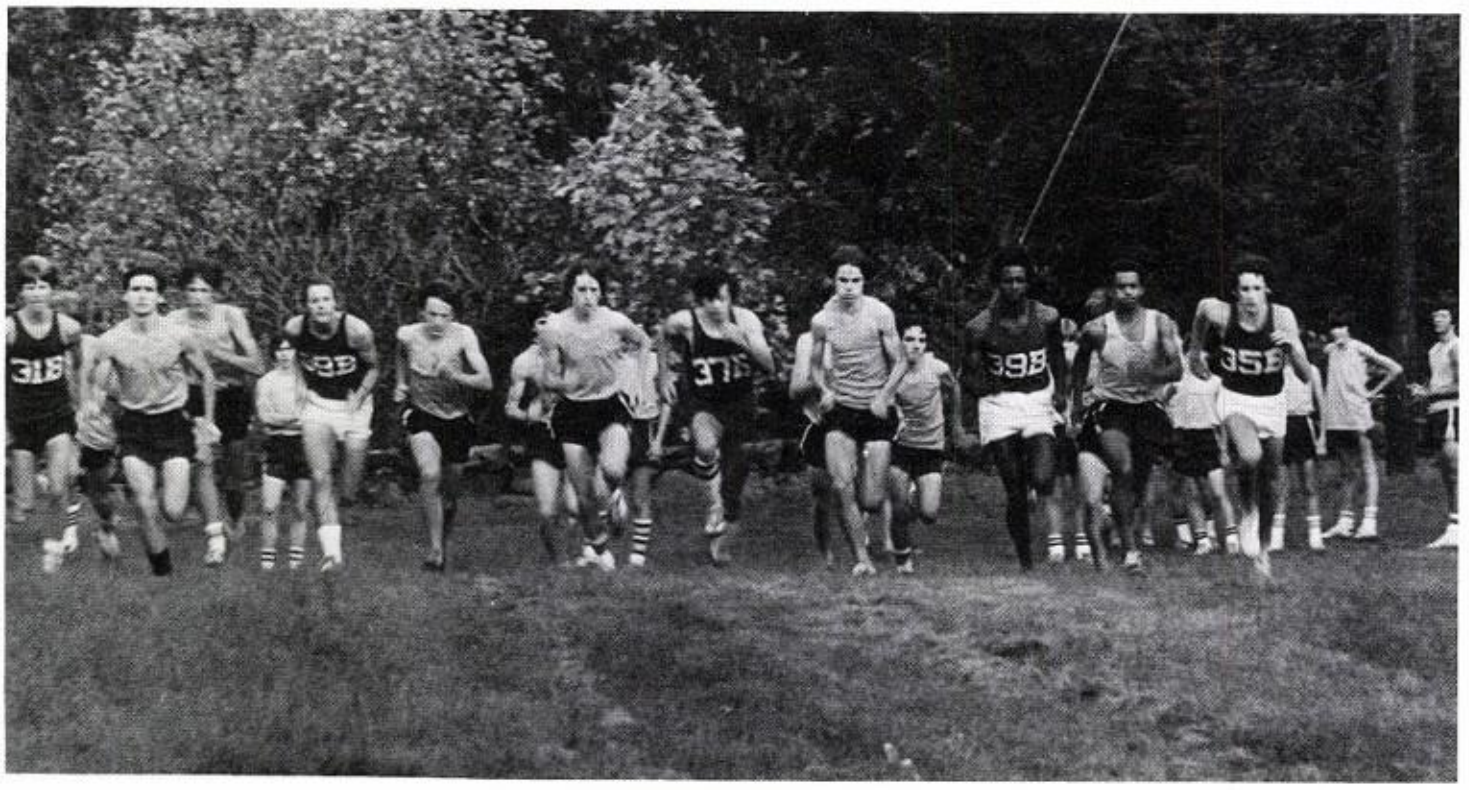






Jim "Kip" Gano Brightens Knights Season

Jim "Kip" Gano



Ron Griffin

In what was a lackluster season for our cross country team there was something to shout about in Jim Gano's all-around performance. Jim Gano, Captain of the team, ran through the Dual Meet (twelve matches) completely undefeated. He went on to place first in the Blue Hen Conference meet and second in the state. The other two seniors on the team were Tom Tullio, running for his third season and Ron Griffin running for two seasons.

The one weakness that crippled our team was the lack of participation. Coach Crowther hopes for a larger team next season to replace the three graduating seniors.

Mount Pleasant cheerleaders cheered on our 1975-1976 teams with much spirit and enthusiasm. They worked hard practicing for four big seasons, football, soccer, wrestling, and basketball, including all the state tournament games. They cheered at approximately fifty-five games in all. Tryouts in the spring bring out a large number of contestants. Cheerleading is not only much hard work but there is also a great satisfaction in cheering on a winning team.

They also plan activities in the school. They are in charge and do all the arranging for the Home-Coming. This one weekend starts with the Home-Coming football game and halftime, the party after the game, and the Home-Coming Dance that night for the Queen. They also have a garage sale to raise money for new pompoms. The seniors not only cheer for the school year but have a chance to cheer at the end of the summer for the All-Star Game.

The first game of the season against Conrad tells the story. At the close of the 1st, 2nd, and 3rd quarters the Knights were either tied with or ahead of the Redskins until the end of the 4th quarter when the Redskins went ahead by 2 points to win the game. In short, out of the nineteen games, we were victorious in seven games, and came within ten points of defeating eight other opponents.

Other set backs were the injuries suffered by Mark Hudson, Scott Hutchinson, Jeff Taylor, and Mike Conley. The team will be losing seven good seniors: Co-Capts. Scott Hutchinson and Mark Hudson, Jeff Taylor, Terri Short, Bill Leiser, Dave DiRaddo, and Scott Gregory.

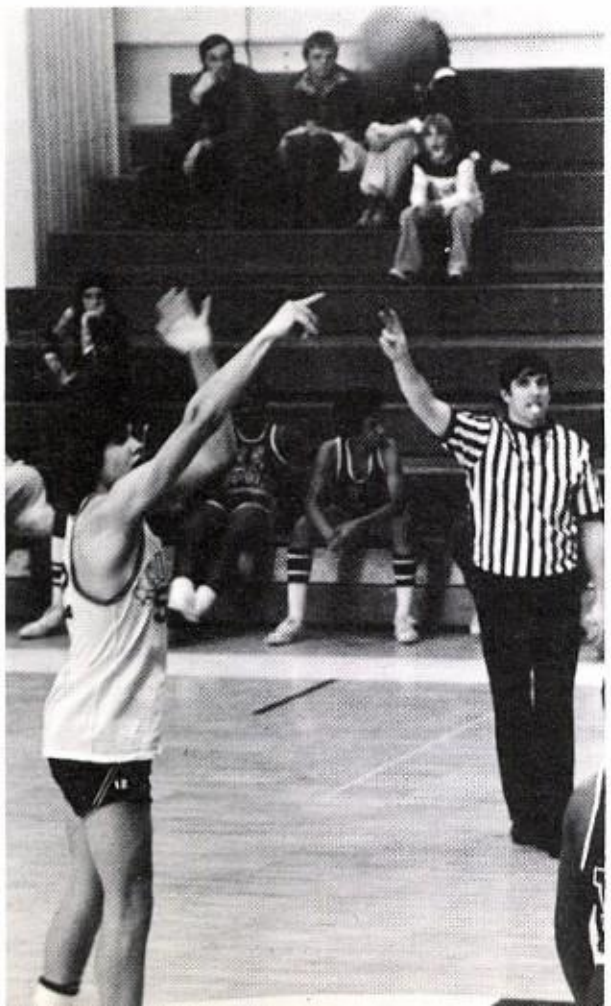
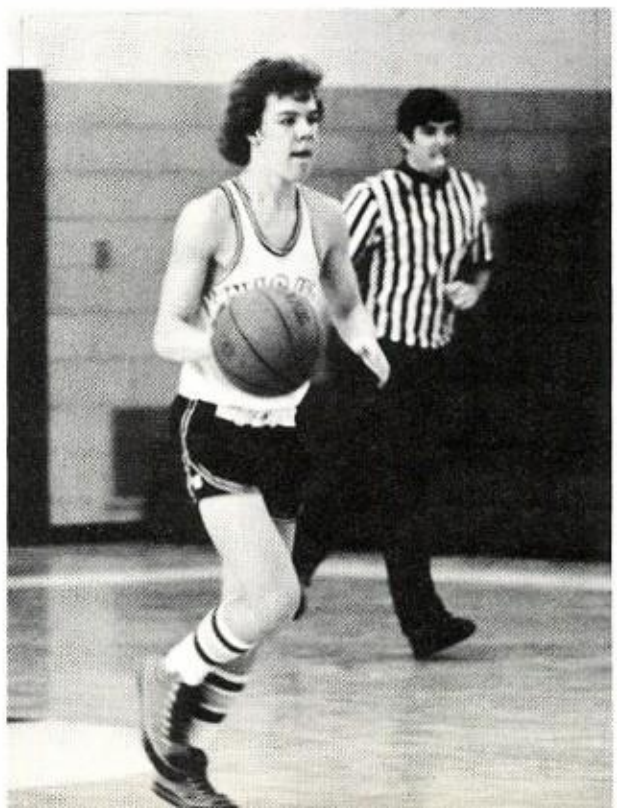
John O'Connor coaches team onto victorious season. Left: Co-Capt. John Shelley most outstanding player.



Starting the season off the Freshman had consecutive victories against St. Marks, Claymont, and Hanby. They then suffered losses to Sallies and Archmere. Then came a five game winning streak. To finish the season they lost to P.S. DuPont, returned with a win against Howard, and suffered a final loss against St. Marks. The Freshman team completed the season with a 9-4 record. They carried the advantage of an average height of six feet. They also had an enthusiastic coach, Mr. John O'Connor who contributed greatly to their success. Mr. O'Connor believes great teams are made of great individuals. To become a great individual requires a commitment to hard work all year and this is what this years freshman team gave him.



GIRLS COMPLETE IMPRESSIVE SEASON

This year's Girls Basketball Team coached by Ms. Ellison had a slow start but finished strongly with a 10-8 record overall. The team captains Debbie Brand and Sue Frangia led their teammates to a third place position in Flight A division. Leading scorer was Debbie Brand with a total of 251 points for the season. The team will only be losing two seniors so that they should look for a promising season for next year.

The J.V. team coached by Mrs. Chris Bekowski finished with a 8-10 overall record. The team was young consisting of all freshmen. These girls should give great strength to a possible spot on the varsity team for next year.

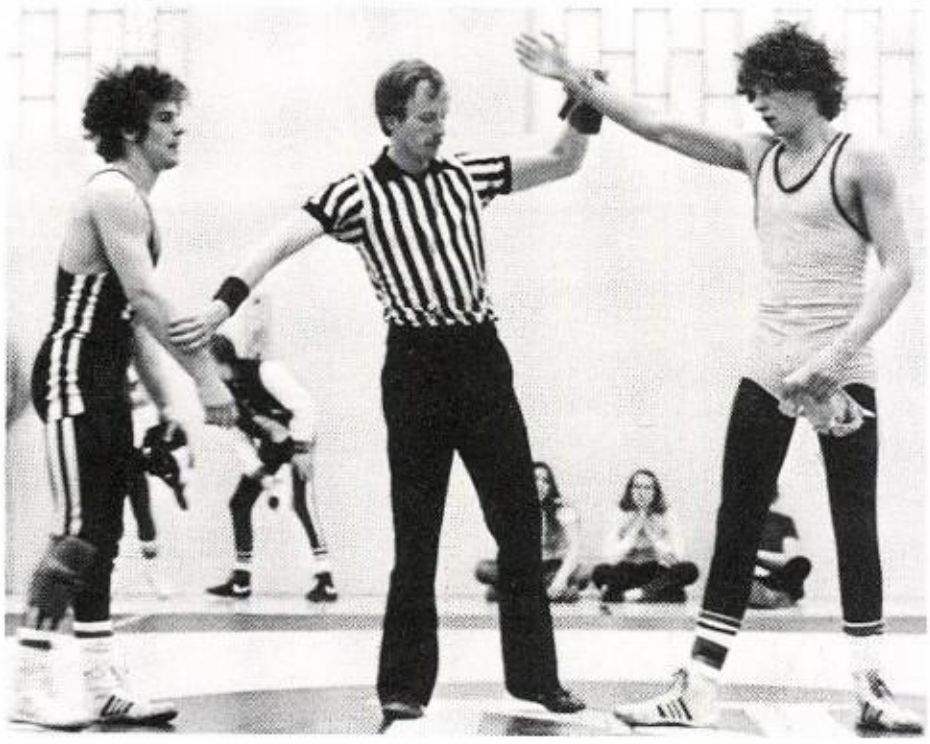
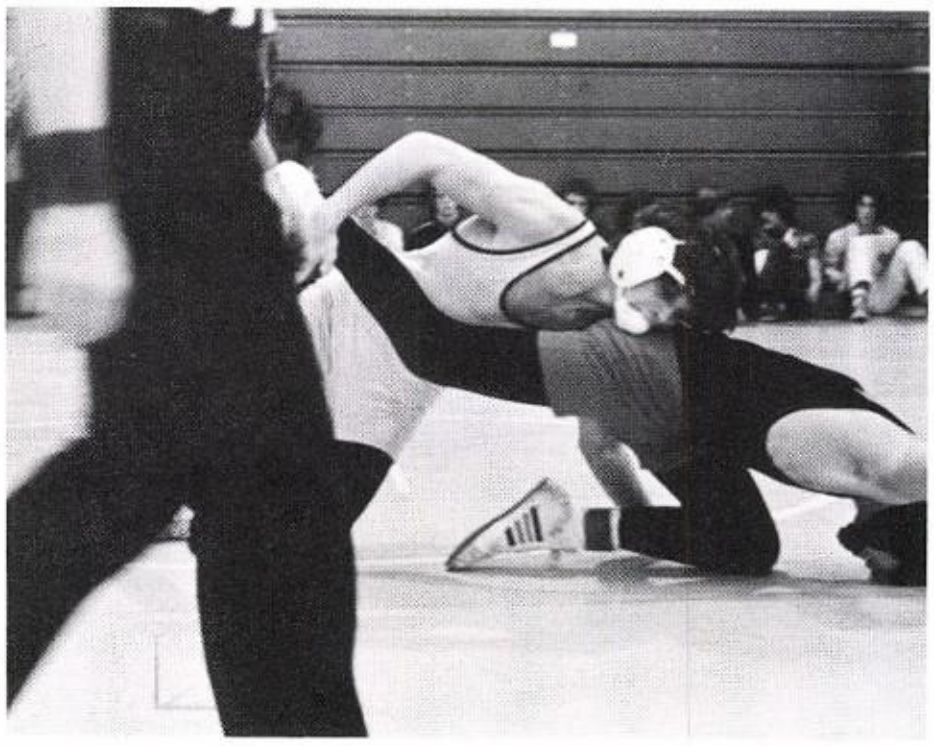
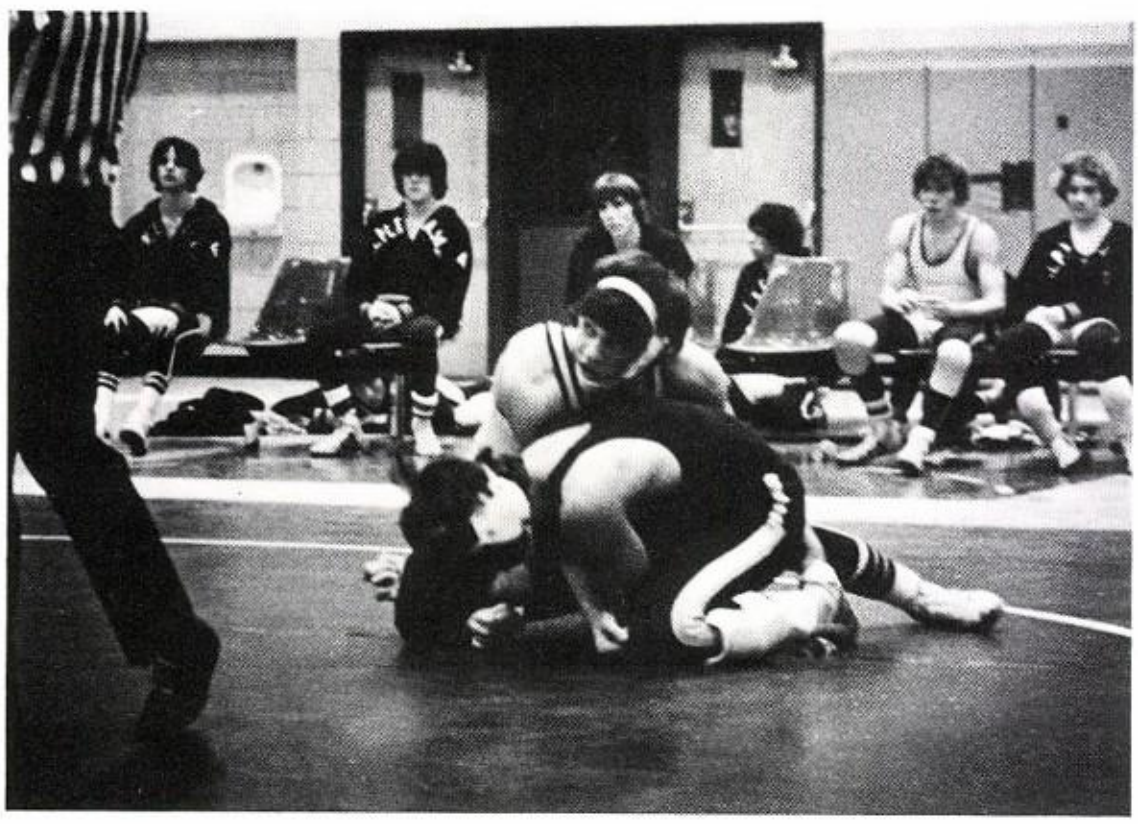
As Season Progressed Number of Wrestlers Decreased



Co-Capt. Andy Moore



Co-Capt. Tom Heldreth



Senior Steve Cluff shows outstanding performance this year, losing only one match.

On November 15th 1975 practice began for the Mt.P. wrestler's. At this time there were sixty-two boys signed up. This number decreased as the season progressed because of injuries and lack of interest.

From the remaining twenty-eight wrestlers there was one who was to be a pleasant surprise for our team. This was Senior Steve Cluff, who wrestled at 155lbs. and lost only one match this season.

Capt. Tom Heldreth placed third in the State Tournament last year and fourth this year, so his outstanding record this year was not unexpected.

Capt. Andy Moore finished his season with a very good record and a broken arm.

This final record of the season was 2-9, defeating Christiana and Concord.

Next year seems dim for the Knights, while the heaviest returning wrestler is a 165 pounder. One of the returning letterman and most dedicated is Junior Claude Mette, who is actually a much better wrestler than his record indicated.

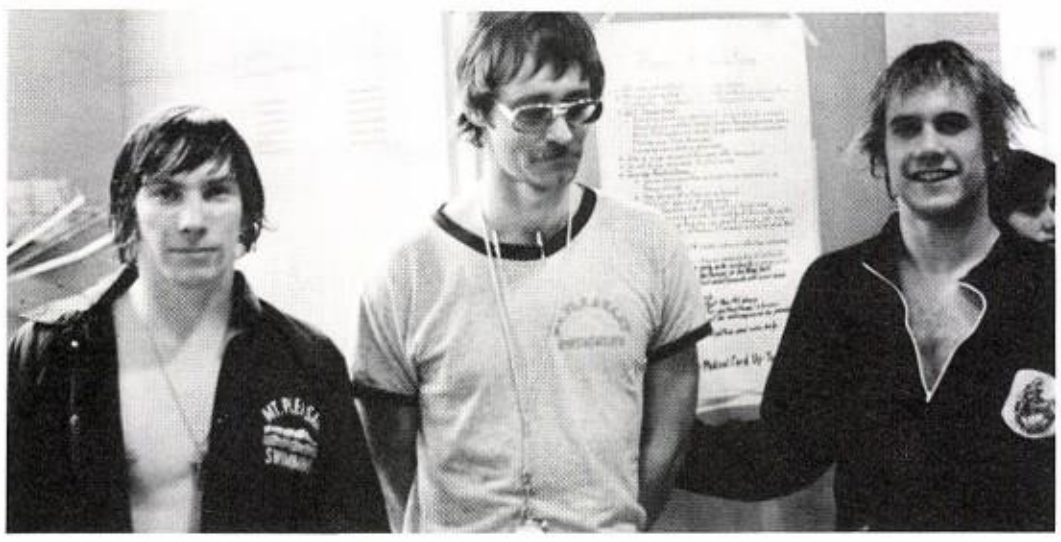
Outstanding Team Brings in Best Season in Four Years



Without the help of our own pool to practice in this year the swim team had an outstanding season with a record of 7-4-0.

One of the most outstanding swimmers is Freshman Bruce Gemmel. He won nearly every event Coach Ignatieff placed him in.

As a whole the team improved throughout the year but sophomore Ted Caddell improved so much in his breast stroke that by the end of the season his times were better than the two seniors who usually swam that event.

The 1975-1976 Girls Swim Team had a very successful season. They had a record of six wins and two losses. They also finished third in the Delaware State Swim Meet with eight gold medals, one silver, one bronze medal. Sue Jackson won three gold medals. Dayle Simunovich won one gold, one silver, and one bronze medals. Laurie Barbaur won two gold medal. Sheri Hutson won one gold medal. Cheryl Frawley won one gold medal. The girls also set four new pool records. The team had practice at 5:30 or 6:30 in the morning. They were coached by Mrs. Carlson and the captains were Sara Allmond and Donna Monagle.

WINTER TRACK KEPT PACE

Mr. John Crowther has coached Winter Track since 1962. Coach Crowther also deserves recognition for his coaching in Track & Field since 1957 and Cross Country since 1961; he has dedicated more of his time than any other coach.

The team members for winter track this year were Seniors Leif Alnes, Jim Gano, Ron Griffin, Andrea Hein, Robin Miller, Tom Tullio. Juniors: Gary Burkle, Bill McClure, Mason Saltzman. Sophomores: Ricky Adkins, Pat Burke, David Hager, George Halterman, Jeff Lucas and Robert Weldon. Freshman: Bill Bishop, Mike Budischak, Bill Leamy, Luke Meddings, Jon Seitz. Most beneficial to the team was the Relay Team of Leif Alnes, Saltzman, Burkle, and Gano which gave the best time in two years. Coach Crowther is looking forward to good future seasons.

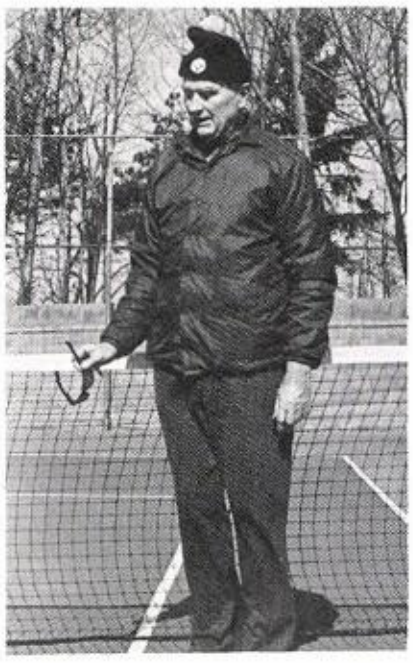
The Boys Varsity Tennis Team should be a highly competitive team this year.

They lost three of their top players to graduation but they gained a very promising freshman, Mike Schetman. There is also an excellent crop of Soph. from Mr. O'Conners well coached freshman team of last year. Add these to a good nucleus of Juniors and Seniors like Steve Schall, Scott Gregory, Dave Smith, Doug Harder, Bill Schetman, Blake Ryan, Mark Coleman, Dave Sherman, Dan Bregman, Dave Weinman, Ray Butler, and Mike Russo, and they should produce a quality team.

They will compete against Conrad, Claymont, Brandywine, Wilmington, P.S., DuPont, Howard, Dickinson, Concord, Christiana, Salesianum, Wm. Penn, Newark, McKean, and Glasgow.



Coach Karl Meyers.

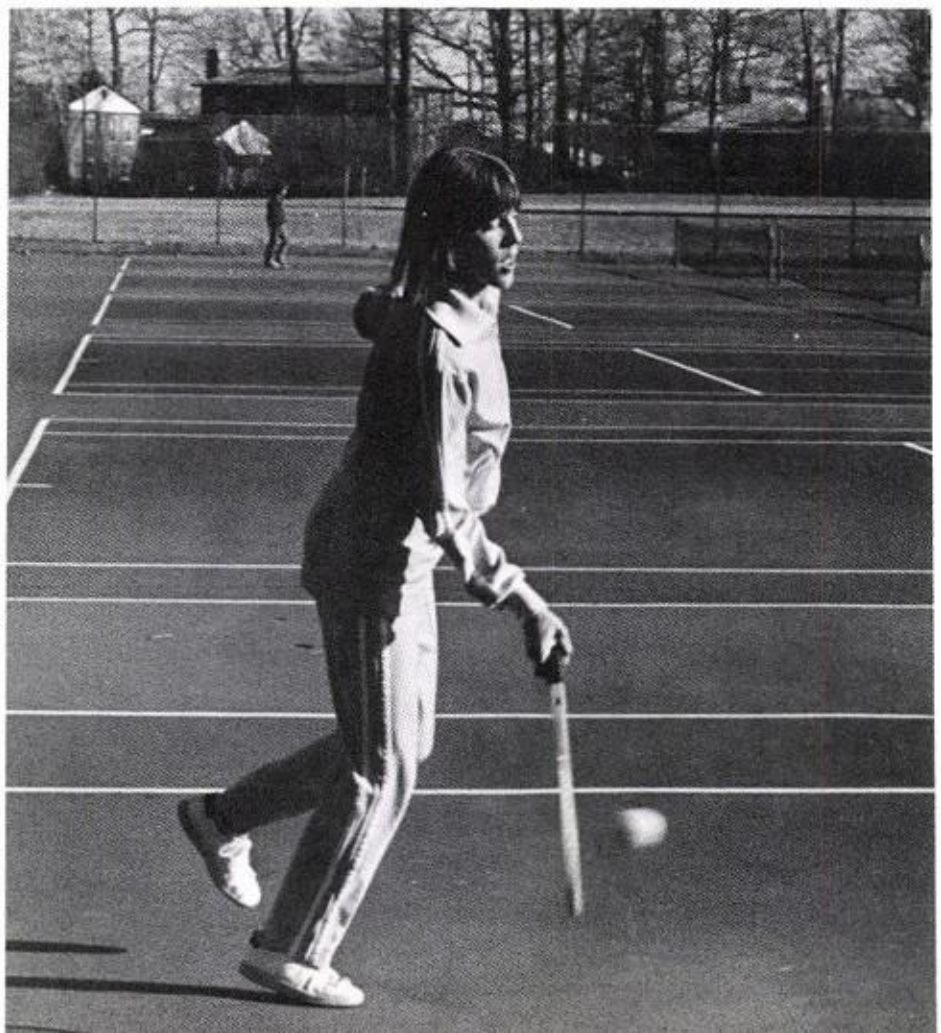
The 1976 Girls Varsity Tennis Team is a young but competative team. The coach is Miss Ewan and there are twenty-six girls out. They have an eleven game schedule and are hoping for a good record and a lot of fun.

The only returning letter winners to the team are Sophomores Sue and Joyce Nidzgorski. Last year they won the first doubles in the Delaware Interscholastic Tournament. Joyce, ranked 3 in Del. and 16 in Middle states in 1975 and 3 in Del. and 13 in Middle states in 1976 along with Sue, ranked 2 in Del. and 7 in Middle States in 1975 and 2 in Del. and 11 in Middle States in 1976 are Mount Pleasant's best for hope for victories.

The 1976 Girls Freshmen Tennis Team is hoping for a good season. They are a strong but limited team. The coach is Mrs. Stewart and has twelve girls out. They have a six game schedule.



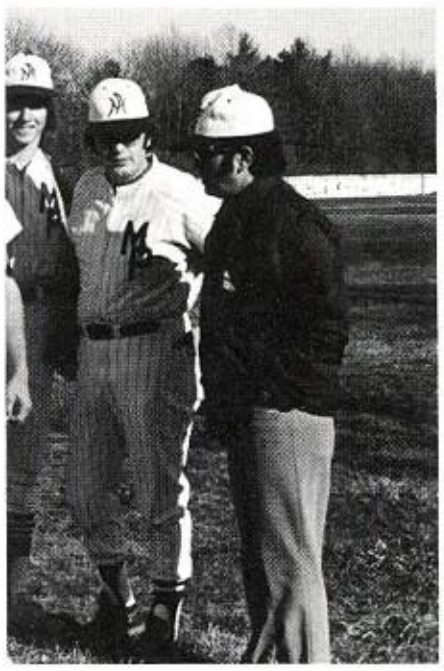
First Row: Chris Reid, Sam Wolhar, Gary Malool, Rod Ryle, Wayne Hepler, Joe DiGiacomo, Glen Thomas, Bill Bowden. Second Row: Rich Berger, Dave Hepler, Mark Davies, Tom McDonough, Mike Fisher, Dave Diraddo, Bob Bush, Joe Ozoroski, John Kotula, Sean Ross.

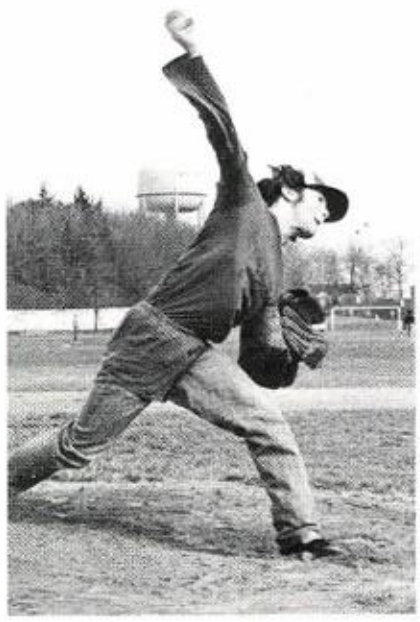
Experience heads the list of assets for the Mount Pleasant 1976 baseball team this season. Seven of last years nine starters will be returning for the Green Knights to spear-head a balanced attack of offense and defense. This years infield is comprised of 4 of last years five starters. When not pitching, Senior Wayne Hepler, will be starting at first, alternating periodically with Senior Bill Bowden, Junior Dave Hepler, Wayne's brother, will be at second the first half of what well could be the best double-play combination in Flight A this year. Senior Rod Ryle rounds out the pivot at shortstop with a fantastic glove and excellent range with a strong throwing arm. Fast and quick, Rod was last years lead-off hitter. Third base is still a question. Vacated by last years' Jim Gobeil, juniors Bob Busch, and Mike Fischer along with sophomore Ron DiGiacomo have the best shots at the position this year. Catching this year is well stocked. Returning Senior Dave DiRaddo will be the starting position. Big with a strong throwing arm, DiRaddo is backed by versitile Joe DiGiacomo, Senior, and Junior Glen Thomas.

This years outfield is comprised of Junior John Kotula, Seniors Bill Bowden, Bill Horton, and Terry Short. All have good strong throwing arms, and will provide much of the power hitting for the offensive attack.

Pitching looks to be still another strong point for Mt. P. Seniors Tom McDonough, Rich Berger, Wayne Hepler, and Terry Short along with Junior Mike Fischer begin the attack. Along with many potentially good sophomores, you can look for Mt. P. to have an excellent defensive team.

Coaches Rosario Limmina and John Sutton Jr. will provide the leadership at Mt. Pleasants 1976 baseball team is looking for a good season and a long over-due flight A crown.





First Row: Ed Bradley, Jim Hughes, Jody Ambrosino, Ron DiGiacomo, Joe Limmina, Joe Plush, Second Row: Tod Amsbacher, Chris Knauss, Jim Goines, Chris Broughton, Bruce Jarin, Jim Drane.

Freshman Pitchers and Catchers: Coach Dellaquila, Joe McDonough, Jim Milligan, Bob Sole, Bill Berger, Rich Bearcloud, Len Kostow, Dave Vent, Dick Bachman. Two Pictures above to the left Coaches Limmina and Sutton discuss promising team.

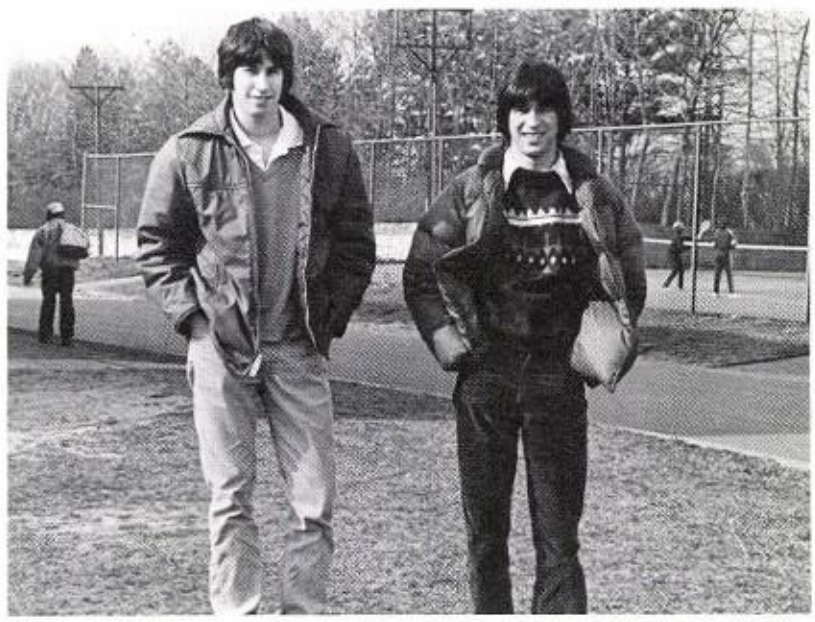
The 1976 Girls Lacrosse Team is looking for a good season. They are a fairly good team and if were playing against public schools they would do excellent. The coachs are Miss Ellison and Mrs. Hall. There are forty-four girls out for the team, returning are five seniors, ten juniors, thirteen sophmores and there are ten new freshmen. They have a nine game schedule against private schools, Union Ville, Tower Hill, Penn Crest, Tatnall, Sanford, Henderson, and Friends.

Left to Right: Dave Ellsworth, Ted Barnett, Larry Lingle, Al Wassynger, Gary Esayian, Robert Konstanzer, Coach Maxwell. Not Pictured: Art Whaley, Mark Burins, Jay Chaffin, Bob Seifried, Erik Frywald, Walter Mahta.

Over the years the Golf team has been one of the most successful teams in Mount Pleasant. Dave Corzeluis; a promising young professional, now on the Mini Tour in Florida, graduated from Mt. P.

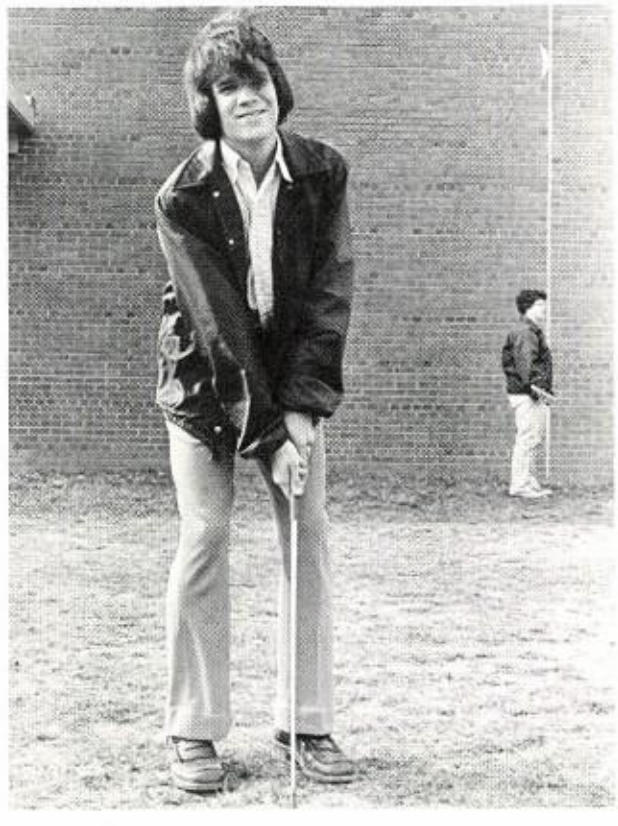
Another promising young player along the lines of Corzeluis, is Arthur Whaley. Art helped the Mount Pleasant Team to the State Championship last year, and he took the individual honors the year before. This year the Mt. P. golf team will try to duplicate last years undefeated record. There are only 2 players not returning from last years team. Art will be back along with another of Mt. P.'s best, Gary Esayian. They will be leading this years team which has such prospects as: Mark Burins, Al Wassynger, Ted Barnett, Ed. Tarlov, Jay Chaffin, Larry Lingle, Bob Seigfried, Erik Frywald, Mik Tarlov, Walter Mahla, Dave Ellsworth, and Robert Konstanzer.

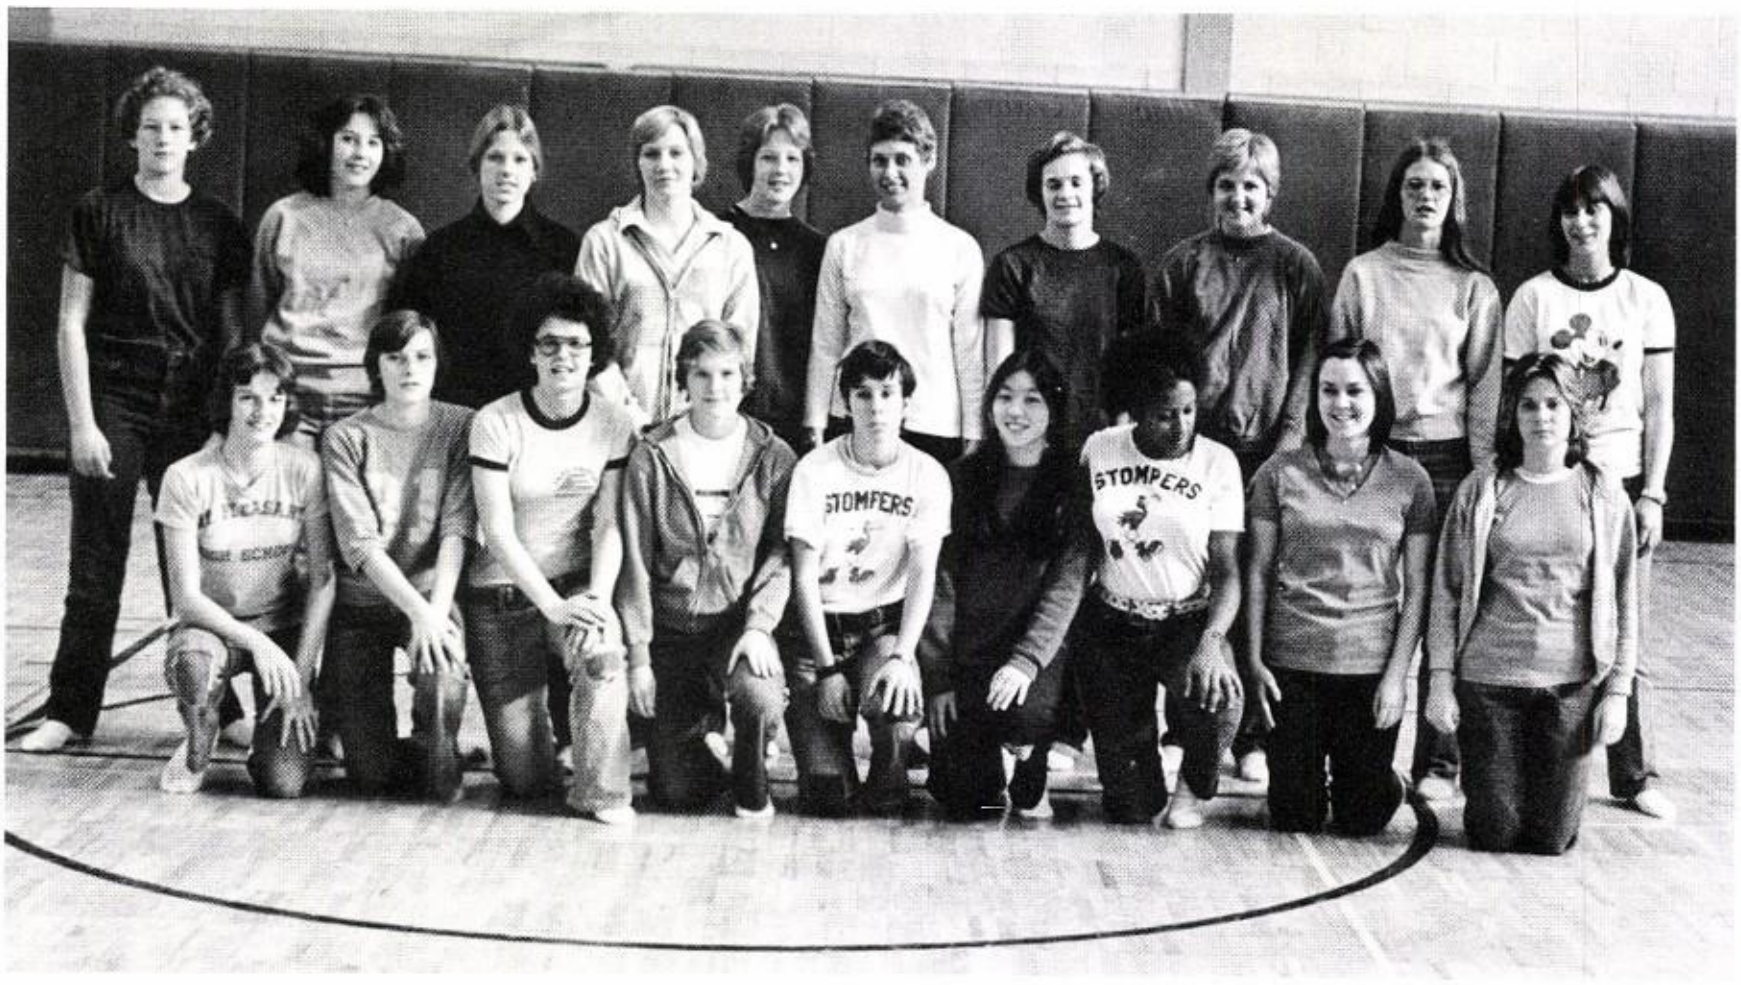
Much of the team success is due to the outstanding coach, Joe Maxwell.



Above: Ed and Mik Tarlov

Below: Left: Ted Barnett, Middle: Gary Esayian, Right: Al Wassynger.





This is the first year for the Girls Softball Team. Many girls for the past few years have wanted to play softball. Finally the school said they could have intramural softball. Since there was such a good turnout and other schools decided to have a team, Mt. Pleasant also had a 1976 Girls Softball Team. The coach is Mrs. Bekowski and she has twenty-two girls on the team. The captains are Debbie Brand and Helen Stevenson. The girls have an eighteen game schedule of which four are Saturday games. They practice every day from 2:45 to 4:45 at River Road School. For a new team the girls are thinking strong and should have a good season.

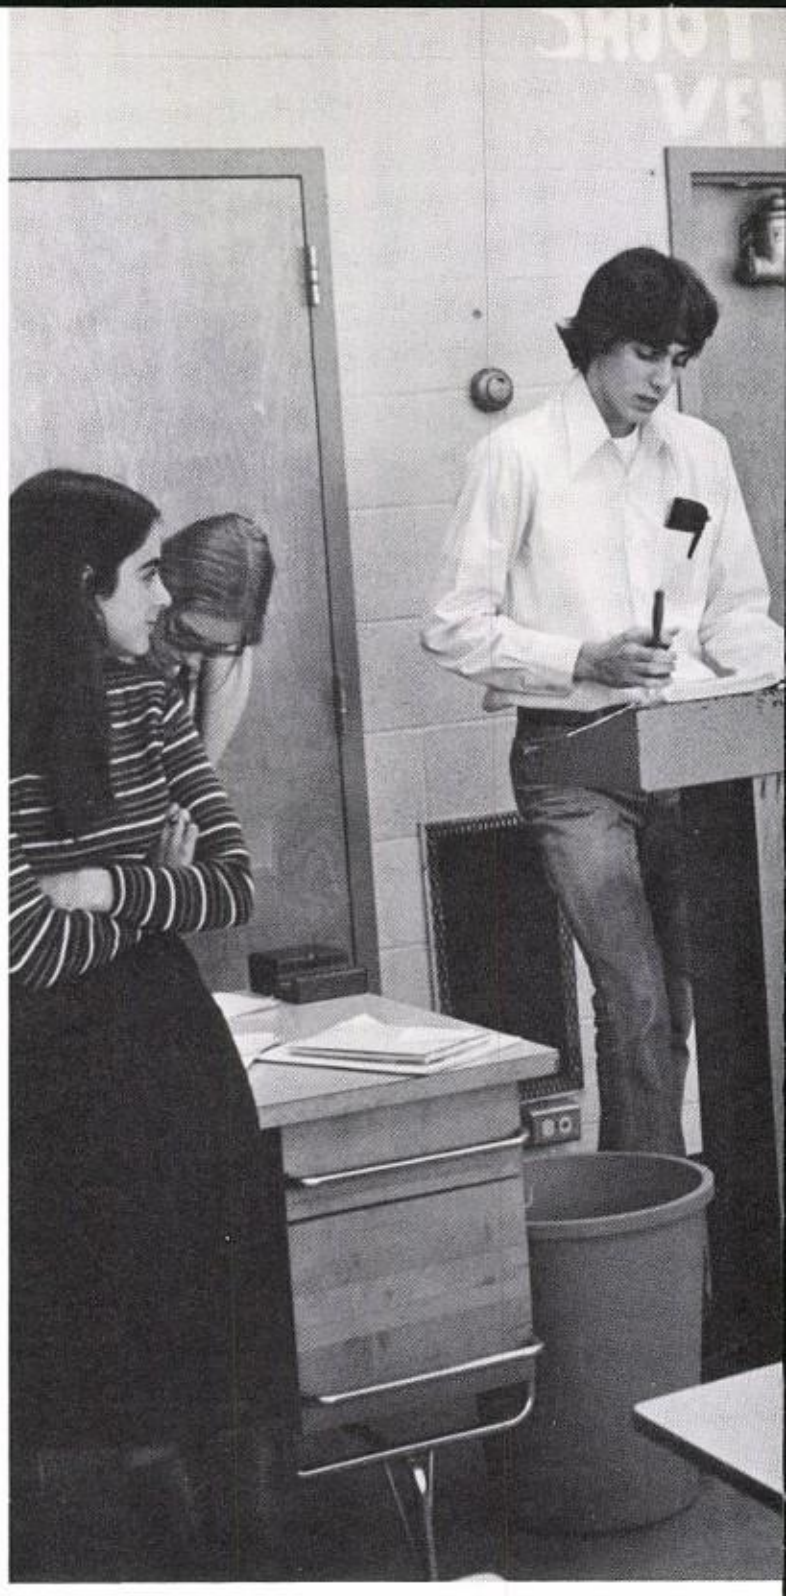
The 1975-1976 Student Council was composed of the elected officers Jay Kogon, President; Andy Booz, Vice-President; Kelley Craig, Secretary; Ellan Rubin, Treasurer; Abbe Levitsky, Corresponding Secretary and homeroom representatives.

Among the Council's duties were the sponsoring of all clubs, student activities, and the formation of a liaison between the students and administration. These duties were all performed successfully with much emphasis placed on student activities. Student Council did not only sponsor social events such as dances and a coffee house, but Council also was active in sponsoring community action projects. Activities ranged from candy sales to benefit the Kidney Foundation, a Christmas party for city day care children and student exchanges with other area high schools.

The largest endeavor that Student Council undertook was the spring Bicentennial Fair. This community event was the finale to a most successful year.



STUDENT COUNCIL

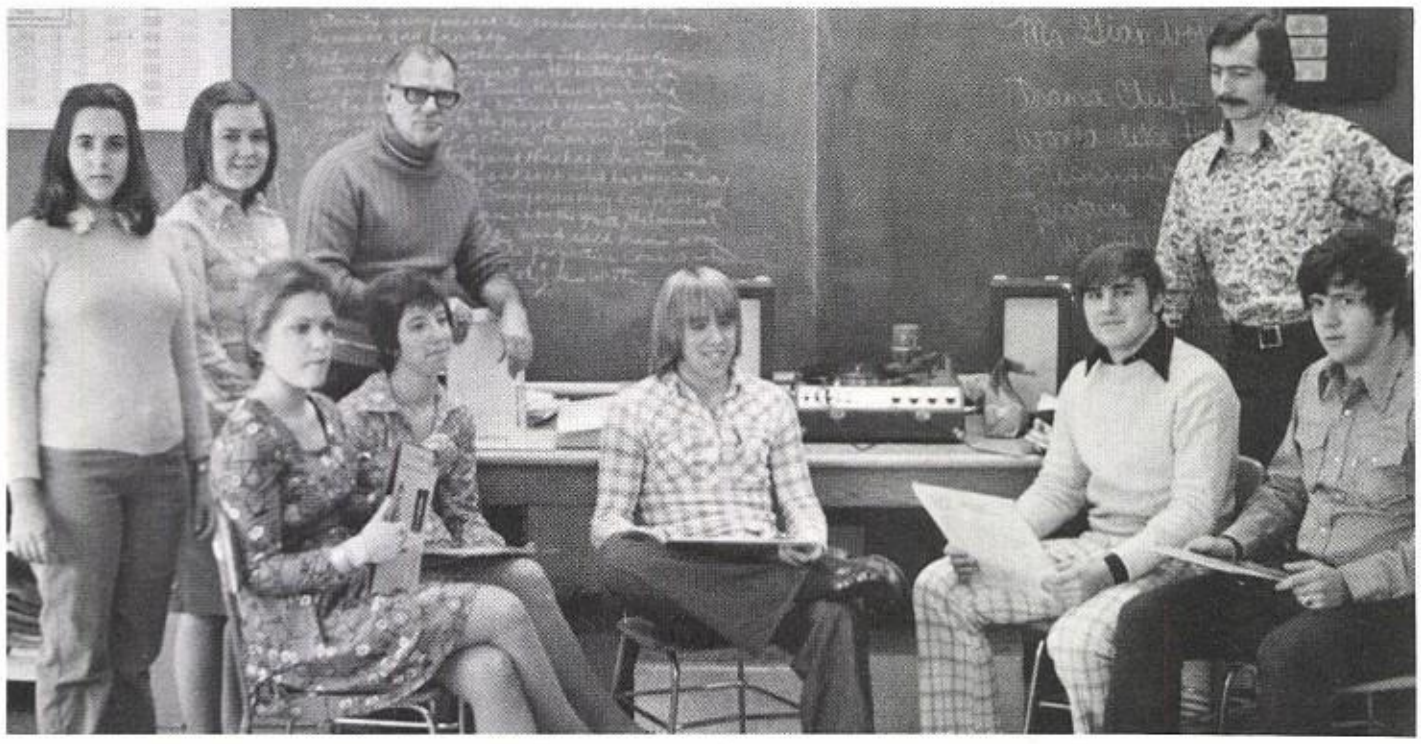
WORLD AFFAIRS

ECOLOGY CLUB

The highlight of this year's World Affairs – Ecology Club was their four-day trip in March to Washington D.C. While in Wash. they represented the countries of Sao Tome and Principe at the thirteenth North American Invitational Model United Nations. Club members met regularily to prepare for this trip and financed it through a tootsie roll sale and monthly glass drives.

Club President was Jill Goldberg. Other offices were held by Stephen Trehu, Vice-President; John Ward, Secretary; David Weinman, Treasurer. The remaining members were Nancy Galperin, J. D. Petrillo, Bill Schetman, David Sherman, George Siegfried, Richard Tomlinson and Amy Zuckerkandel. Club Advisor was Mr. John Archer.

OPERA



The Opera Club existed primarily to attend live performances of opera by the Opera Company of Philadelphia in the Academy of Music. Throughout the season, about fifty students, teachers, administrators and friends attended this season's performances. Advised by Mr. Giamboy, the club membership also included our three AFS Students whose tickets were provided by the Opera Club.

CHESS

Whenever there was a possibility of meeting, the members of the Chess Club gathered in Mr. Lupin's room. Most people are unaware of the fact that the Chess Club is also the Chess Team. The team participated in interscholastic tournaments and financed their league and trophies.

Bill Roseman, Captain; Curt Wilson, Treasurer; Fred Bachwitz, Randy Carter and David Ruth comprised the team. Other members of the club were Mark Golin, Rick Humphries, Eric Kissa, Ray Lupin, Tod Rosen and Richard Stewart.

Student Council officers working To make '75-'76 an active year

by Barbara Blanchard '76

Student Council '75-'76 is setting out on the right foot. So far the meetings have been well attended, and the representatives are eager and willing to speak up at the meetings.

The officers are doing a good job running the meetings. Of course there are the usual problems of keeping order and maintaining a smoothly run meeting. **Jay Kogon** '76, president, **Andy Booz** '76, vice president, **Ellan Rubin** '76, treasurer, **Kelly Craig** '76, secretary, and **Abbe Levitsky** '76, corresponding secretary, appear well qualified as well as willing to work to make this a memorable and active year.

A new and very important committee this year is the Bicentennial Committee. This committee will work with the teachers' Bicentennial Committee toward a carnival this spring to celebrate our nation's two hundredth year. Chairman of this committee, Ellan Rubin, will choose two co-chairmen to help her.

S.C. president, Jay Kogon

Other Student Council committees and their chairmen are as follows: music, **Tom Kelly** '76; assembly, **Steve Schall** '76; student exchange, **Dave Sherman** '77; student activities, **Cindy Raikowski** '76; school store, **Steve Cluff** '76; public relations, **Scott Defoe** '76 and **John Dosset** '76; and community action, **Sandy Sherman** '76.

All eight committees are already active. The Assembly Committee is arranging for a demonstration of Olympiad gymnastics. The Student Activities Committee sponsored a Kick-Off Dance that was considered a success judging by attendance as well as profit. The School Store is doing very well; in fact, they cannot keep up with the demand for their products! The Community Action Committee is selling candy for the Kidney Foundation at soccer games and the Bicentennial Committee sponsored a car wash to raise needed funds for the carnival in the spring.

Of course this does not include all the activities that have taken place since the start of the school year, but gives a quick overview.

Student Council President Jay Kogon stated, "So far Student Council has carried out all their planned activities successfully." Jay added that the officers will be attending a conference at Dover which features a Student Council workshop, where our officers will discuss with other Student Council officers problems that they deal with.

No matter how hard the members of council work, nothing will be accomplished without student support. Mount Pleasant has an apathy problem; no one knows that better than the students themselves. Student Council can only be what the students make it. Jay said, "Student Council is trying very hard to overcome the apathy problem, but it can really be left up to the individual. If he gives a little, he'll get a lot in return."

School greets new teachers

Nine new teachers were added to the faculty this year compared to fourteen last year. They include special education teacher Mr. Jacob Fox, business teacher Mr. Joseph De John, math teacher Mr. Charles Eisenbise, English teacher Mrs. Jane Fenicle, home economics teacher Miss Lynne Greenburg, industrial arts teacher Mr. Albin Gregg, science teacher Mr. Robert Phillips, and social studies teacher Mrs. Lucille Sheman. Also, Mr. Robert France teaches students with learning disabilities.

Mr. Fox teaches special education here after teaching that subject and reading for seventeen years at the intermediate school. "I enjoy working with the mature student at the senior high school level," he says. "My impression of the senior high, thus far, has been very favorable."

Mr. De John, who taught business education at Chester High School for two and a half years, now teaches distributive education, intro to office practice, and business ed.

Mr. Charles Eisenbise teaches geometry after formerly working in the district office as District Coordinator for Mathematics.

Mrs. Fenicle, who taught English at the intermediate school, now teaches freshman English.

Miss Greenburg teaches home economics (both foods and clothing) and is co-advisor for the cheerleaders. She taught home ec and art at the intermediate school from January 1975 until June 1975. Miss Greenburg is planning to be married in December. "I enjoy being at the high school," she says.

Mr. Gregg, who taught industrial arts for six years at the intermediate school, now teaches Drafting I and Woodworking I. He comments, "It's great to work with older students. They are more mature and learn more readily."

Mr. Phillips, who teaches multi science and biology, enjoys "the chance to teach high school age students," He taught general science at the intermediate school for eleven years. He was also department chairman.

Mrs. Sherman was District Coordinator for Social Studies for eight years after teaching social studies at the intermediate school. After three years at the intermediate school, she now teaches American history here.

Mr. France is a former student of the high school where he was an outstanding athlete.

AFS students Leif Alnes, Gunter Pohl and Alvero Flores.

AFS students show Variety of talents

by Kelly McBride '76

American Field Service students **Gunter Pohl,** from Augsburg, Germany, **Alvaro Flores,** from Guatemala City, Guatemala, and **Leif Alnes,** of Torvikbukt, Norway are attending our school as seniors this year. Gunter is living with **Jack Heiks** '76; Al is staying with senior **Scott Gregory;** and Leif's "brother" for this year is **Dave Smith** '76.

Gunter was editor of his school magazine in Germany. He is also interested in sports cars, photography, bicycling, and skiing. After finishing high school in two years, he will have to serve in either the army or the civil service for fifteen months. He wants to study economics and English at a university afterwards.

Al is a talented athlete. He plays center forward on the soccer team, holds a green belt in karate, and hopes to play basketball. Al has already graduated from his all-boy school in Guatemala, and he wants to study chemical engineering.

Leif, too, is a soccer star, mainly playing wing, but also center forward at times. He enjoys photography and skiing, but one of his specialties is clowning around.

All three A.F.S. students have made some interesting remarks about the U.S. Leif tells us that his Norwegian school is much harder, and that only ten percent of his class will graduate. He also says that students here are much less individualistic than Norwegians.

Al says that social events and parties in Guatemala are a hundred times better than here. He wonders why American kids don't even like to go dancing in discoteques.

Gunter's German school is very different from ours. It is mostly a boys' school, and the teachers change classes while the students stay put. He also says that Germans are much more casual than Americans, and that the women are much more liberated. They always pay their own way on dates.

Bye, Bye, Birdie Set for March

by Robin Laskey '76

Due to the fire in the auditorium last spring, the school musical, *Bye, Bye, Birdie,* will be presented in the gym. A three-sided platform will be constructed to replace the stage. Tentative dates for the show are March 26 and 27. The possibility of running the musical for two consecutive weekends is being discussed.

Bye, Bye, Birdie is a take off of the Elvis Presley era where rock and roll originated. It will keep everyone in the swing of the fifties. The total cast consists of sixty-one rolls. Unlike musicals in the past, each member of the chorus will have a name.

Returning this year will be Mrs. Susan Bruerton, choral director, and Mr. Philip DeFranco, orchestral director. At this time, a stage director has not been decided upon.

Tryouts for the musical will be held in the beginning of December. Copies of the script are available in the library.

Homecoming candidates Diane Skomorucha, Abbe Levitsky, Ellan Rubin, Kathy Shaw, Karen Vicary, Karen Huber, Jeffrey Pete and Debbie Brand. One will be crowned queen at tomorrow's game with Christiana.

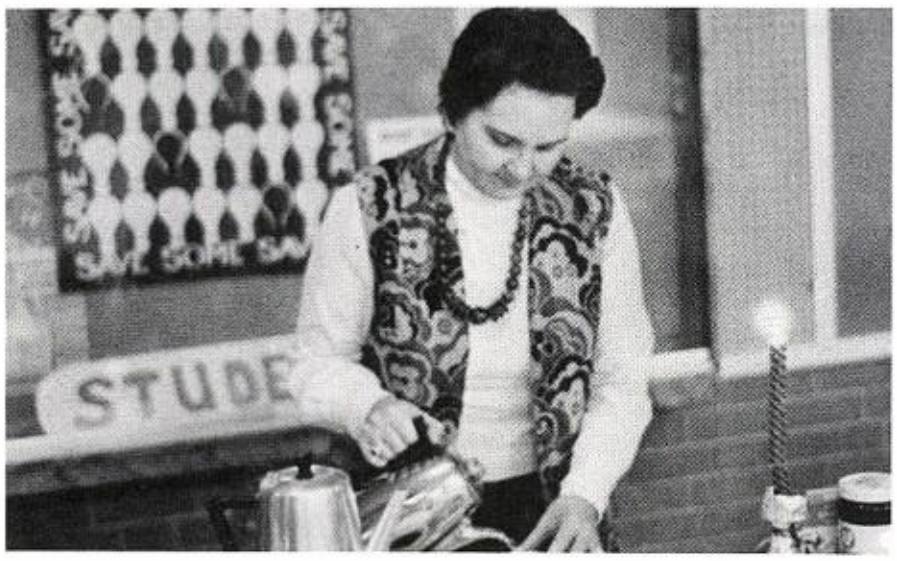
GREEN FLASH

Over thirty students worked on this year's school newspaper, the Green Flash, to make it a success. Through their own fund raisers and the generosity of the School Board and Student Council, the Green Flash was able to publish four issues. This funding was necessary because the paper's purchase price did not defray printing costs. Each issue covered every facet of school life including school elections, club and organizational activities, student awards, teacher activities and interscholastic sports. Advisor for the Green Flash was Mrs. Monahan, who has served in this capacity for four years. Credit for a consistently high quality paper must go to her and her well-trained staff.

LANGUAGE CLUB



The Language Club not only helps to raise money for the Language Department but it also provides much enjoyment for its members. Club members raised money by sponsoring a candy raffle. The annual language dinner was held and each member brought food representing a foreign country. Club members were Bill Edelson, Wayne Gable, John Kotula, Kay Gemmell, Treasurer; Emanuel Kountourzis, Sue McGregor, Luc Papillon, President; Linda Rutter, Meryl Schenk, Vice-President; Karen Schenk, Brad Siegfried, Luda Slastenow, Alex Slastenow, Carolyn Sproat, Secretary; Richard Stuart, Arlene Washkiewicz. Advisors were Mrs. Jones and Mrs. Sohodski.

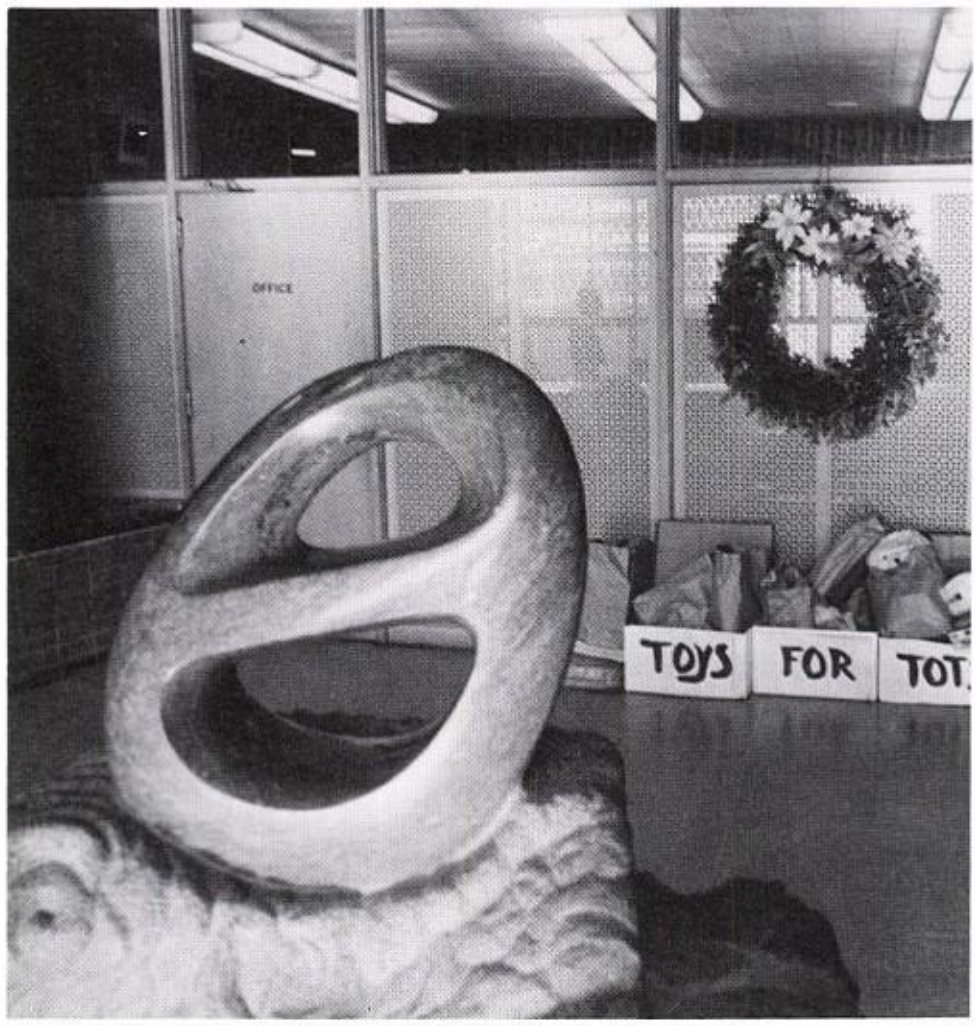
COLLAGE

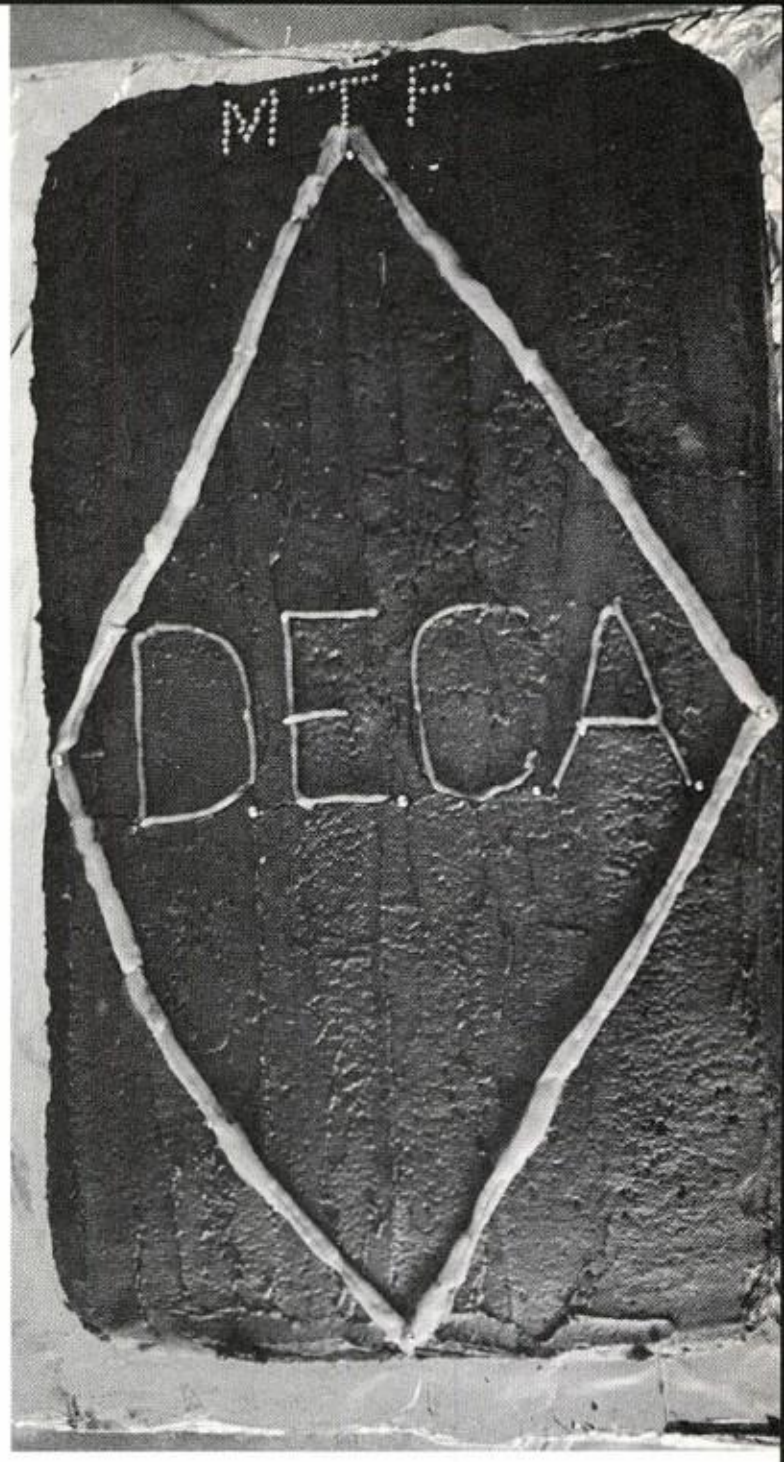
Collage is Mt. Pleasant's literary magazine. Under the Editor, Amy Shaffer and Advisor, Mrs. Sherwood, Collage was enlarged to include prose, a short story, artwork and photography. Other members of the staff were Leslie Belasco, Bobbie Blanchard, Ron Codney, Wendie Cohen, Suzy Frangia, Margy Hamberger, Ross Hippely, Beth Hoffstein, Art Editor; Evan Jones, Kris Kouba, Susan Maclean, Lisa Messing, Cyndee Raikowski, Treasurer; Susan Reid, Nancy Sachs, Business Manager; Jenni Schenker, Alex Slastenow, Carolyn Sproat, Beth Teoli, Joy Vanderlak, Julie Zeftel and Amy Zuckerkandel.

HONOR SOCIETY

Thirty-five students comprised the Honor Society who were selected on the basis of scholastic and extra-cirricular merit. The purpose of the club is to provide service both to the school and to the community. An extensive tutoring program and assitance with the career guidance program were activities the members participated in. Prior to the Christmas holiday, the Club organized a successful Toys for Tots drive and in the spring they enjoyed a special banquet. The Honor Society also sponsored a foster child in a foreign country.

The President of the Honor Society was Debbie Wartel; Vice-President, Terry Themal; Secretary, Kate Golby; Treasurer, Doug Harder. Club members include Kurt Akeley, Sarah Allmond, Nancy Bader, Leslie Belasco, Wendie Cohen, Brian Doerner, Steven Epstein, Suzanne Frangia, Bruce Frankel, Robert Friedberg, Susan Handelman, Nancy Harder, Janet Heisler, Wayne Hepler, Jayne Irwin, Teresa Kealy, Erik Kissa, Suzanne Littleton, Susan Manners, Donna Monagle, Daniel Mumford, Amy Rubin, Steven Schall, Amy Shaffer, Karen Shaw, Martha Taylor, Charles Till, Catherine Van Sice, Curtis Wilson, Julie Zeftel. Advisor was Mrs. Jones.

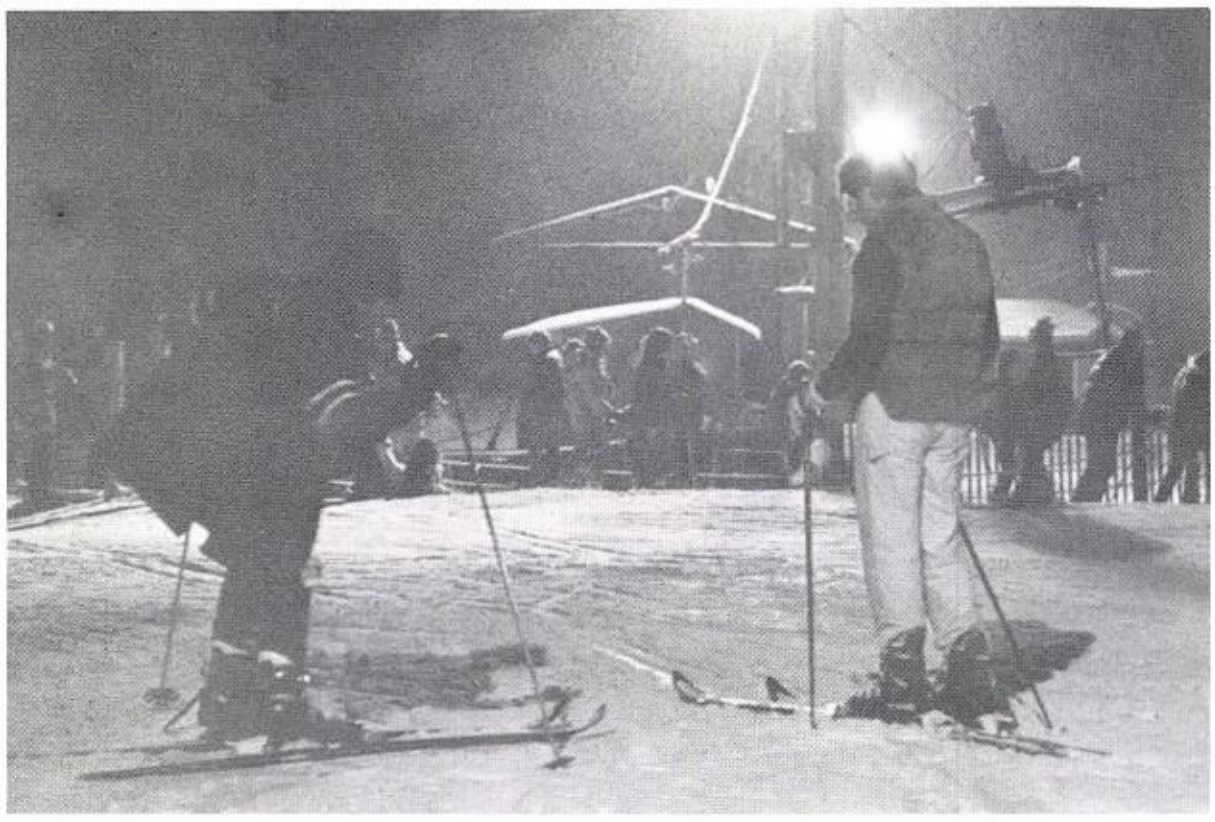




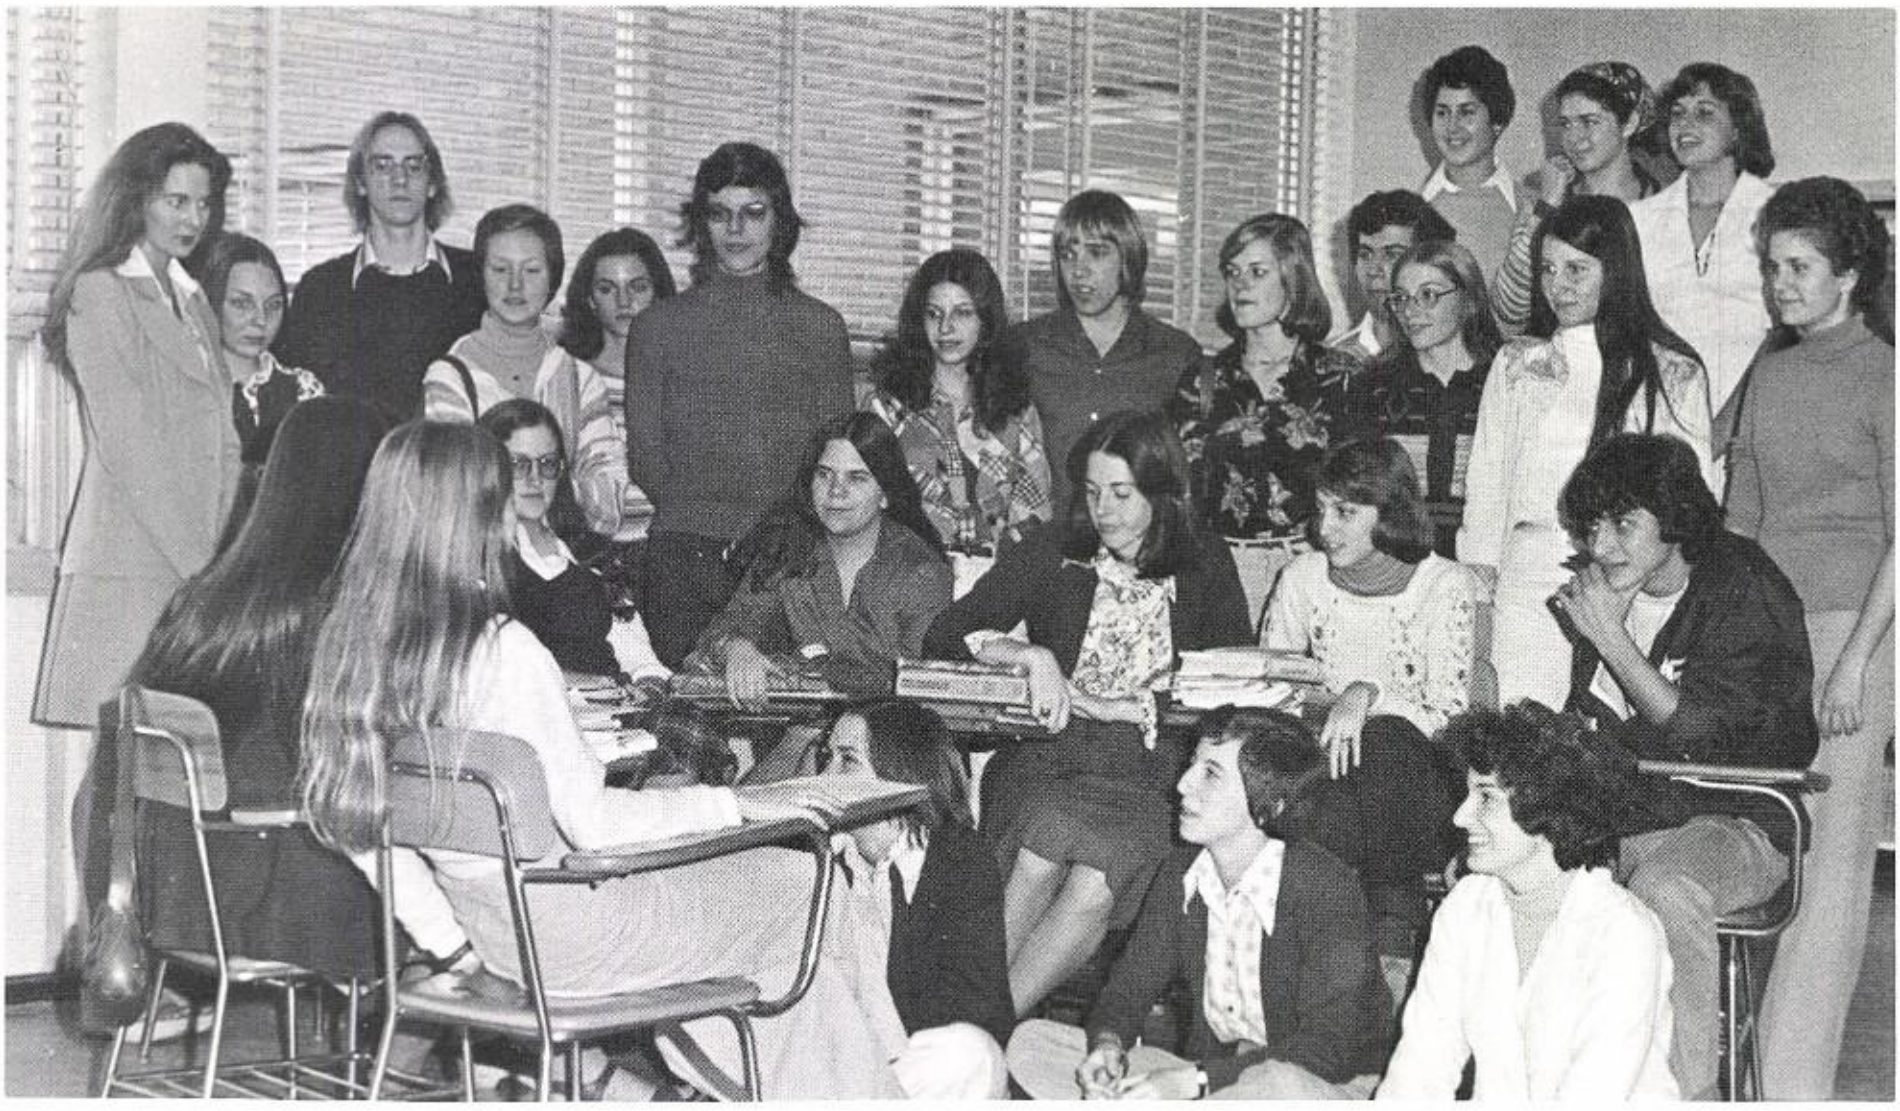
DECA, The Distributive Education Clubs of America, is a program involved in vocational understanding and community awareness. The club sponsored candy sales, a turkey raffle and visited hospitals at Christmas time to bring gifts and cheer. Officers of DECA were Kathy Basara, President; Sue Balback; Vice-President; Joyce Mooney, Secretary; Judy Stevens, Treasurer; LaVerne Bensen, Reporter; Carol Taylor; Parlimentarian. Mr. DeJohn was the advisor. Club members included Donna Adkins, Kathy Beacroft, Denise Bratten, Kathy Defoe, Staci Engle, Debbie Harris, Patty Kauffman, Keith Kearney, Rich Kok, Richard Maguire, Karen McCloud, Wendy Messick, Michelle Mooney, Debbie Rhodes, Nadine Selsavage, Sue Tubbs, Brenda Turner, Kim Young.

DECA

SKI CLUB



The Ski Club, under advisors, Ms. Ewan and Mr. Landis, took ski trips to Killington, Vt. and the Poconos. Members included Carol Bonner, John Burr, Nancy Blizzard, Kay Carnahan, Kevin Conner, Keith Comer, Eddie Ferriss, Laura Ferriss, Shari Frankfort, Kitty Hannon, Becky Hannover, John Healy, Tim Hoopes, Jayne Irwin, Kyle Isaics, Don Karshner, Carolyn Kates, Steven Kates, Rich Kingsley, Jackie Krauss, Barb Lilley, Leanne Pappas, Kathy Moyer, Kathy Rosen, Todd Rosen, Stephen Trehu, Charles Toten, Carl Wahlig, Dana Walker, John Ward, Doug Willey, Janet Wright.

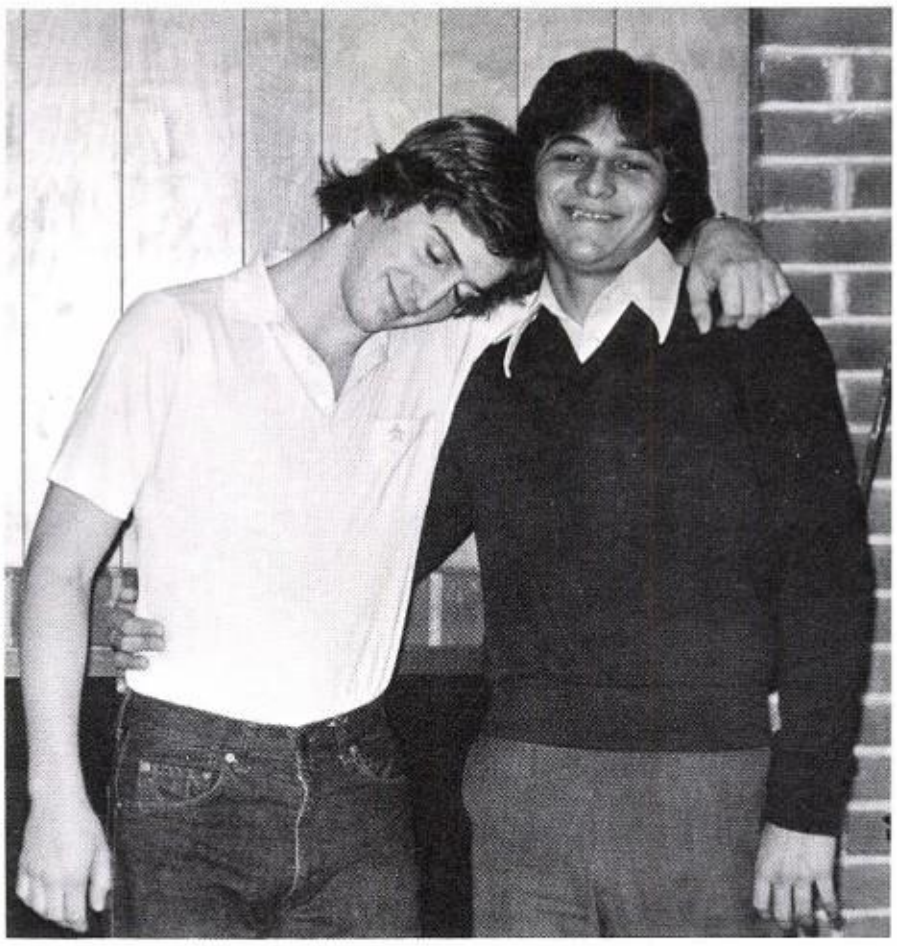


AFS

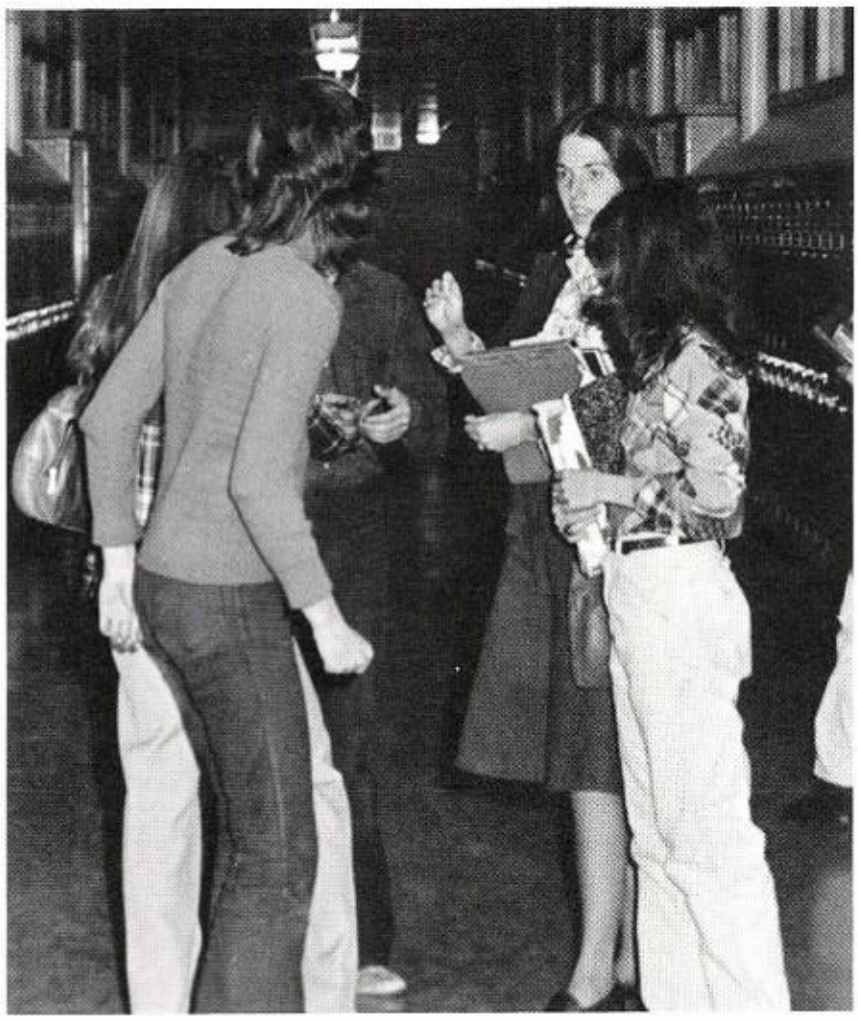
The American Field Service Club has been active at Mt. Pleasant for the past eighteen years. Its purpose is to provide international learning experiences to young people of all backgrounds. This year Mt. Pleasant had the pleasure of being host to three exchange students as well as sending two students abroad.

The AFS Club met regularly to discuss activities and fund raisers. Among the many activities were trips to New York City, and Washington D.C. with area AFS students, a Christmas card sale, basketball marathon, and talks by each exchange student. All activities were organized by Kelly McBride, Faith Megonigal and Barbara Melie. Mrs. Heck was the new advisor. Members were Lief Alnes, Leslie Belasco, Vicki Brill, Kay Carnahan, Al Flores, Meg Ford, Jack Heiks, Andrea Hein, Janet Heisler, Mandy Kountourzis, Robin Laskey, Pam Lawrence, Loretta Marusco, Sue McGregor, Noelle McGuire, Gunter Pohl, Meryl Schenk, Karen Shaw, Joanne Tocker, Norma Jean Veasey, Sharon Williams, Jane Yalisove and Melanie Zerung.

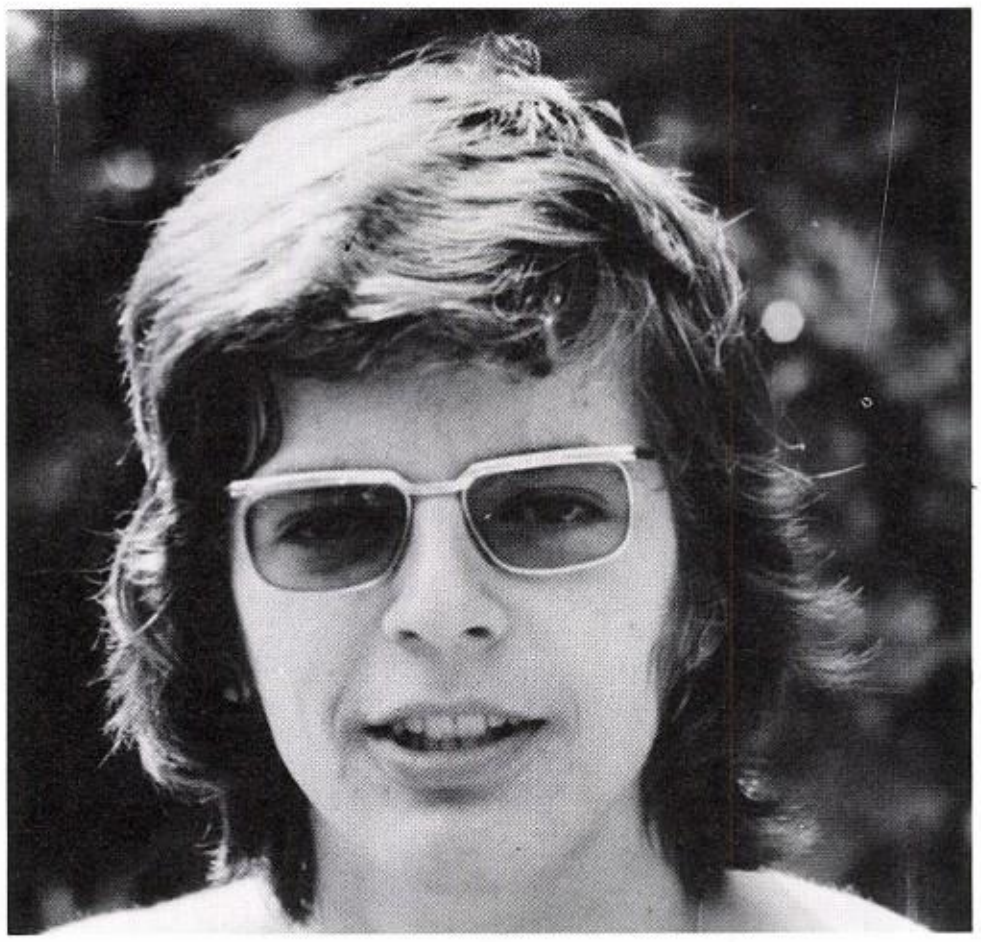
The Executive Committee

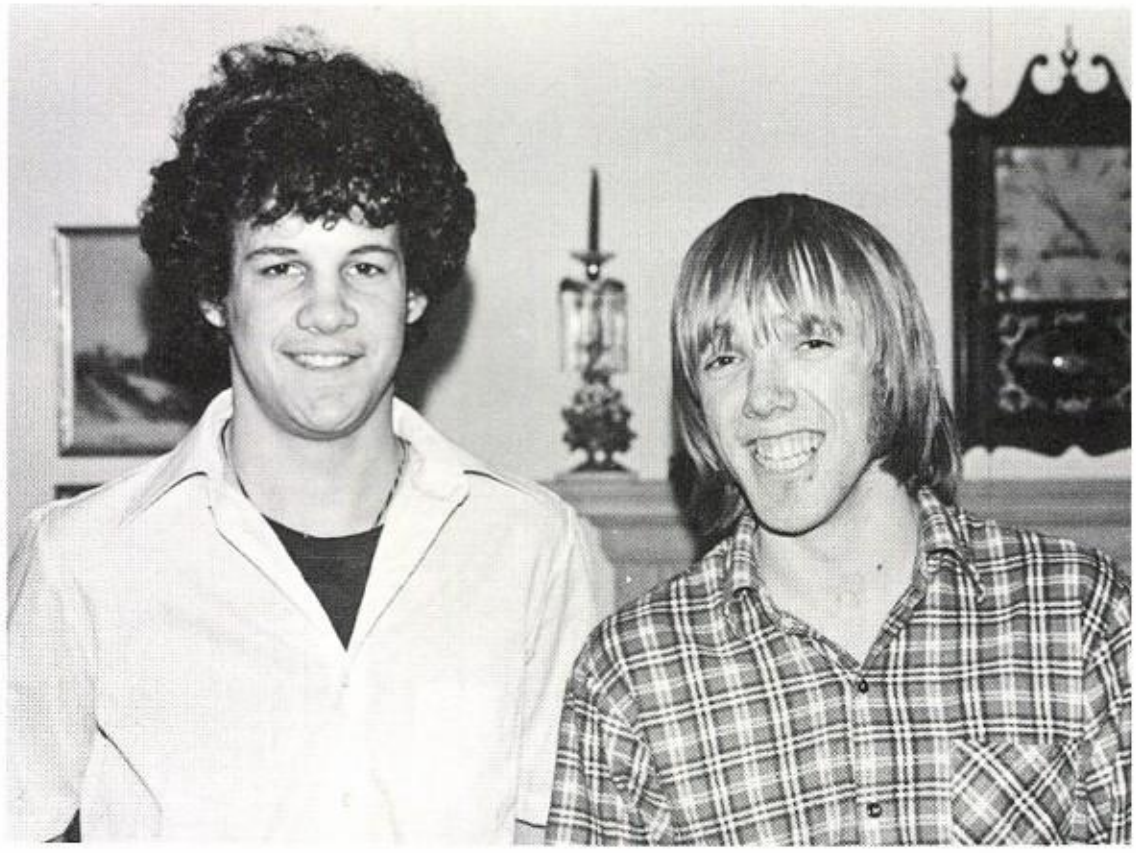


Alvaro Flores, from Guatemala City, Guatemala, was very active while at Mt. Pleasant. He played center forward on the soccer team and will be remembered for staying up all night to finish the float before the Mt. Pleasant – Brandywine football game. Al stayed with Scott Gregory.

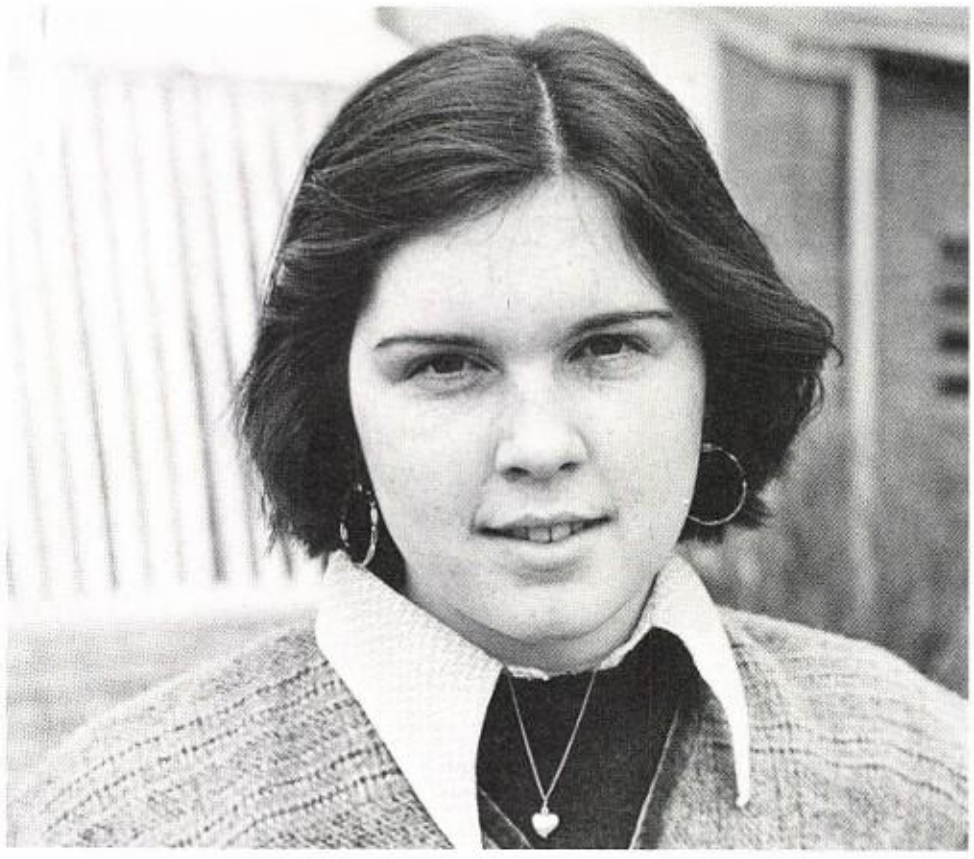


Gunter Pohl, from Augsburg, Germany stayed with Senior Jack Heiks. Gunter enjoyed photography and attending social and athletic events while at Mt. Pleasant.



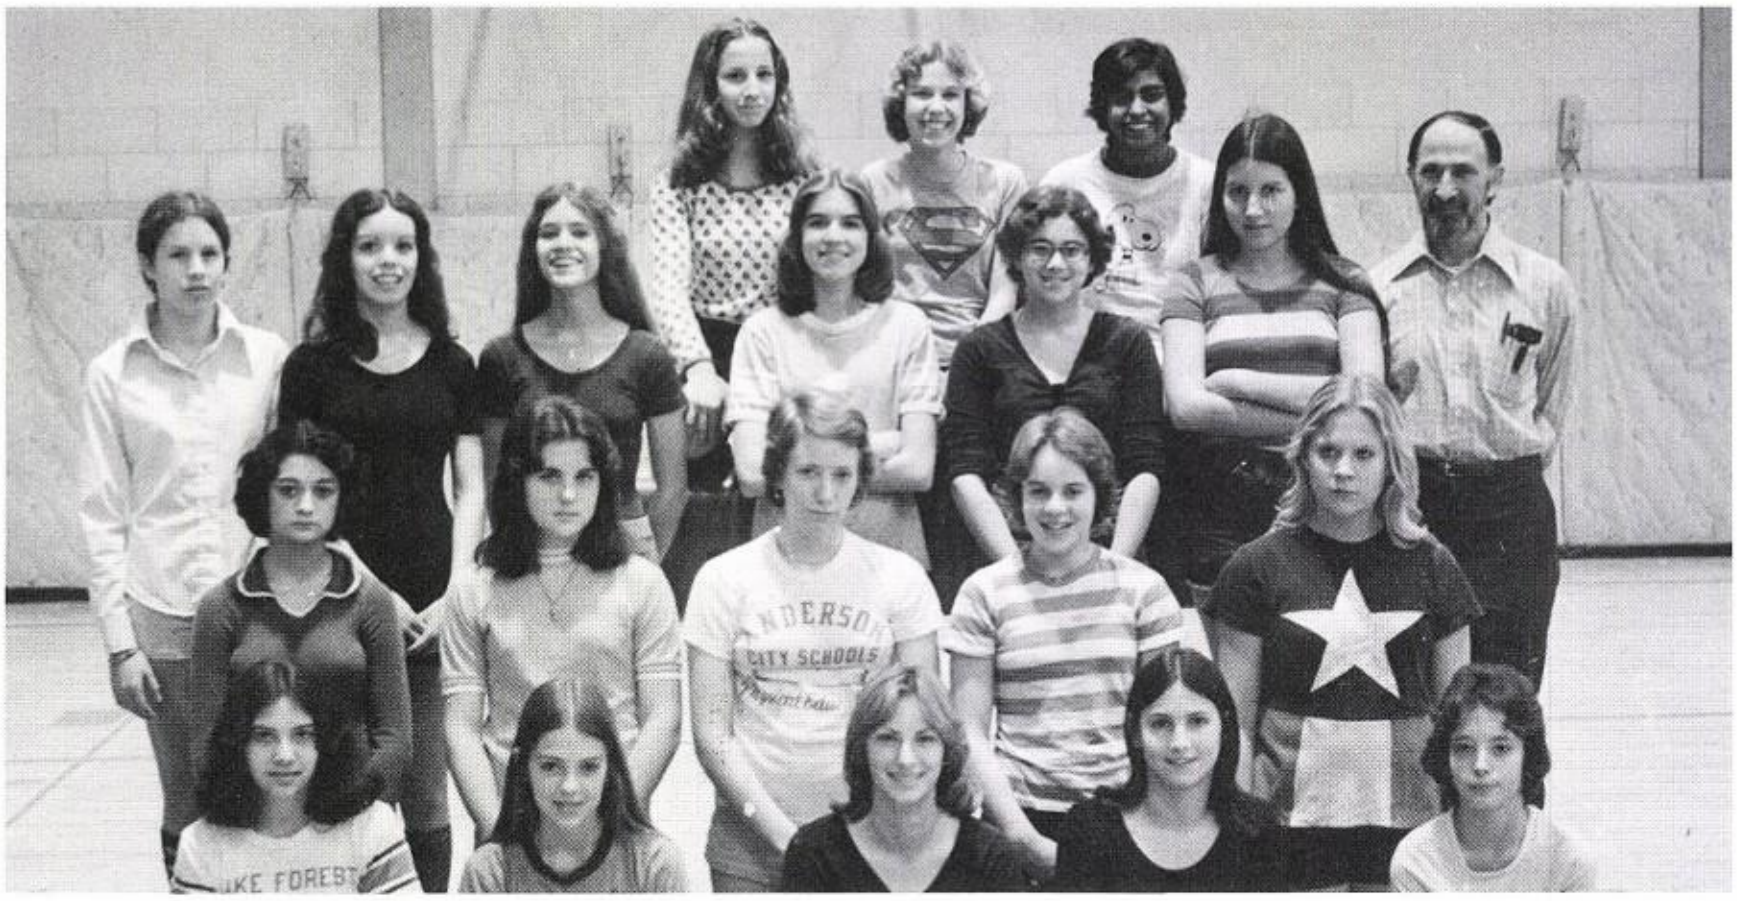


Leif Alnes, exchange student from Torvikbukt, Norway, was known for his superb athletic abilities in soccer, skiing and track. His specialty was clowning around. Leif's American brother and sister were Dave and Judy Smith.



Barbara Melie spent the past summer in Caxiasdo-Sul, Brazil. Her experience was most exciting and one she will never forget.

Paul McPheeters spent the 1975-1976 school year in Hamburg, Germany. While there he attended a German high school and played soccer.



GYMNASTICS

The Gymnastics Club met Tuesday afternoons to practice and improve their gymnastic skills. The girls used this time purely for recreational purposes. Members included Kassy Anderson, Dana Angeline, Donna Atallian, Mary Ellen Blozis, Eileen Cekine, Laurie Curl, Dawn English, Jane Fountain, Karen Frankel, Laurie Gentry, Amy Hamburger, Mary Hodges, Kim Ide, Anne Kahn, Sue Klein, Carol Louder, Judy Marshall, Carol McDermott, Alisa Morton, Laura Reese, Wende Prively, Vandana Sinha, Linda Shaw, Julie Smith, and Kathy Thomas.

SCHOOL SERVICES

School Services, an essential part of the school system, was comprised of ticket girls and ushers. These students included Julie Barnett, Ted Barnett, Kim Bordley, Scott Defoe, Jody DiGiacomo, Brian Doerner, Gary Esayian, Nancy Fry, Jim Gano, Robin Haley, Julie Hoopes, Karen Huber, Mark Hudson, Bruce Journlin, Theresa Kelleher, Linda Minutola, Pat Norton, Sharon Pugliese, Beth Reeder, Susan Reid, Steve Schall, Amy Shaffer, Dave Smith, Jeff Smith.

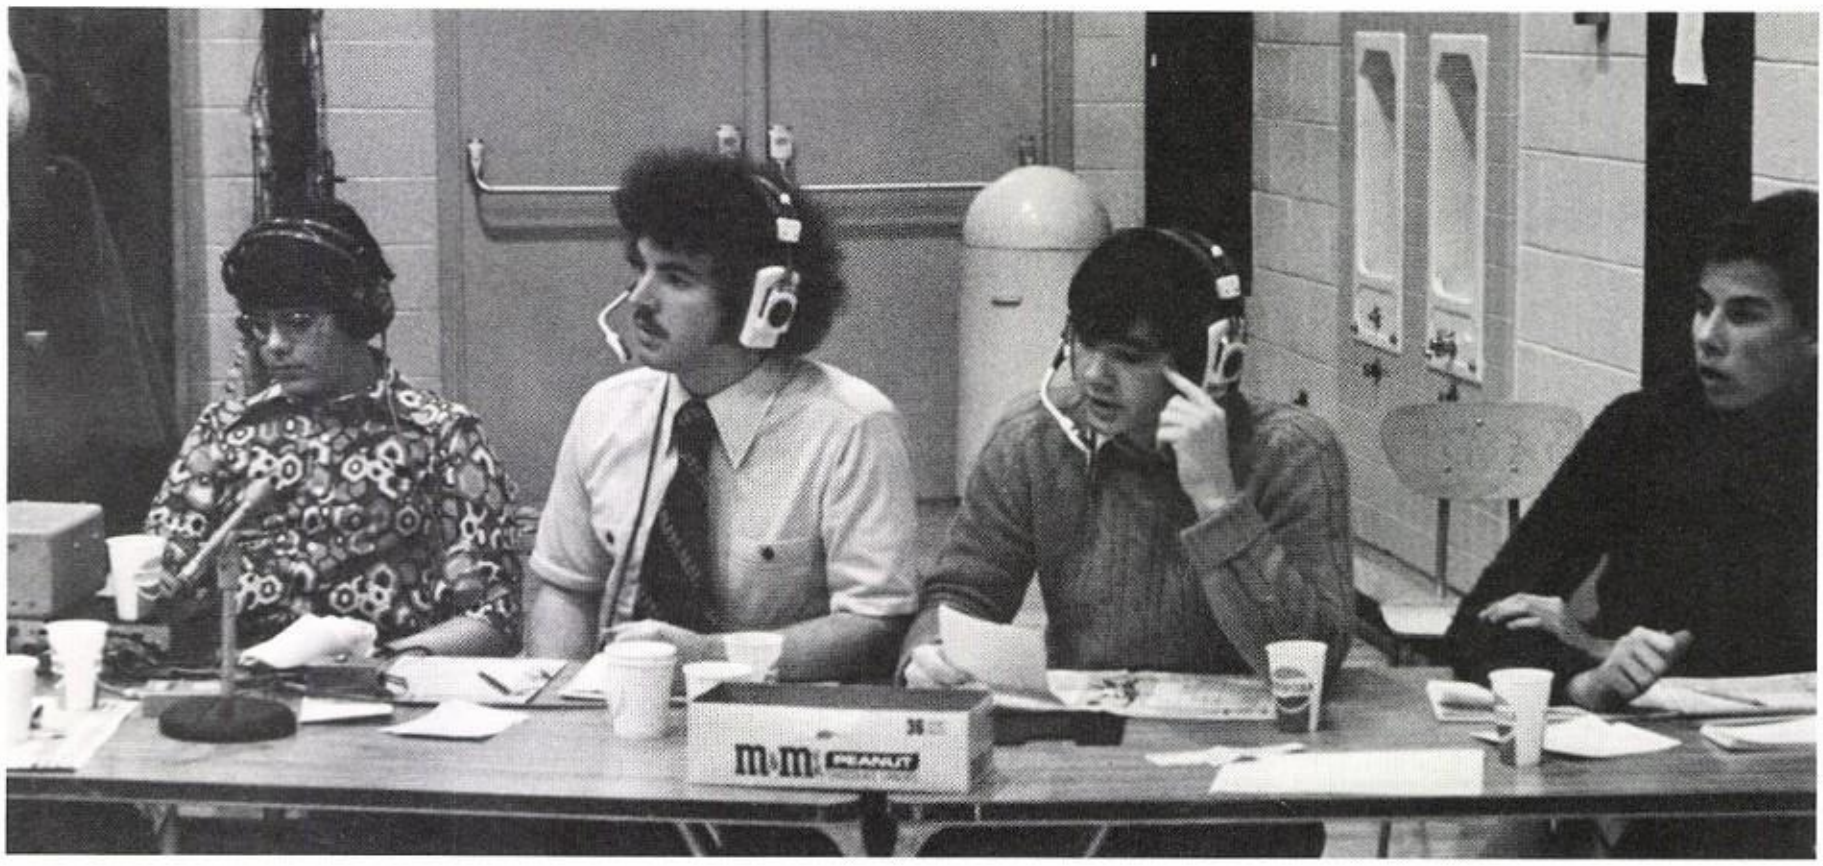
COMPUTER

By using a computer that is connected to a system at the University of Delaware, the members of the Computer Club had the opportunity to write programs. These programs, for example, have assisted teachers in class projects. The club was coordinated by Ira Horden, Alan Ingalls, Walter Mahla and John Webb. Other members included Bill Bock, Steve Decker, David Haislett, Neil Horden, Patrick Houghton, Jonathan Lebovitz, Joy Mundy, Lindy Mundy, Rob Paris, Jay Penrose, Brad Siegfried, Stephen Streiker, John Soutter, Guy Vanderlak, David Watts and Dave Weimar.

BRIDGE

The purpose of the Bridge Club was to enjoy the game while improving the members' skills. The members were Cathy Deluke, Tim Ezell, Kay Gemmell, Treasurer; Mendy Kranz, Alicia Makowski, Sue McGregor, Vice-President; Meryl Schenk, Secretary; Pam Schwartz, President; Richard Stewart, Sue Weimar, Tex Weimar. The Advisor was Mrs. Kohli.

WMPH 91.7

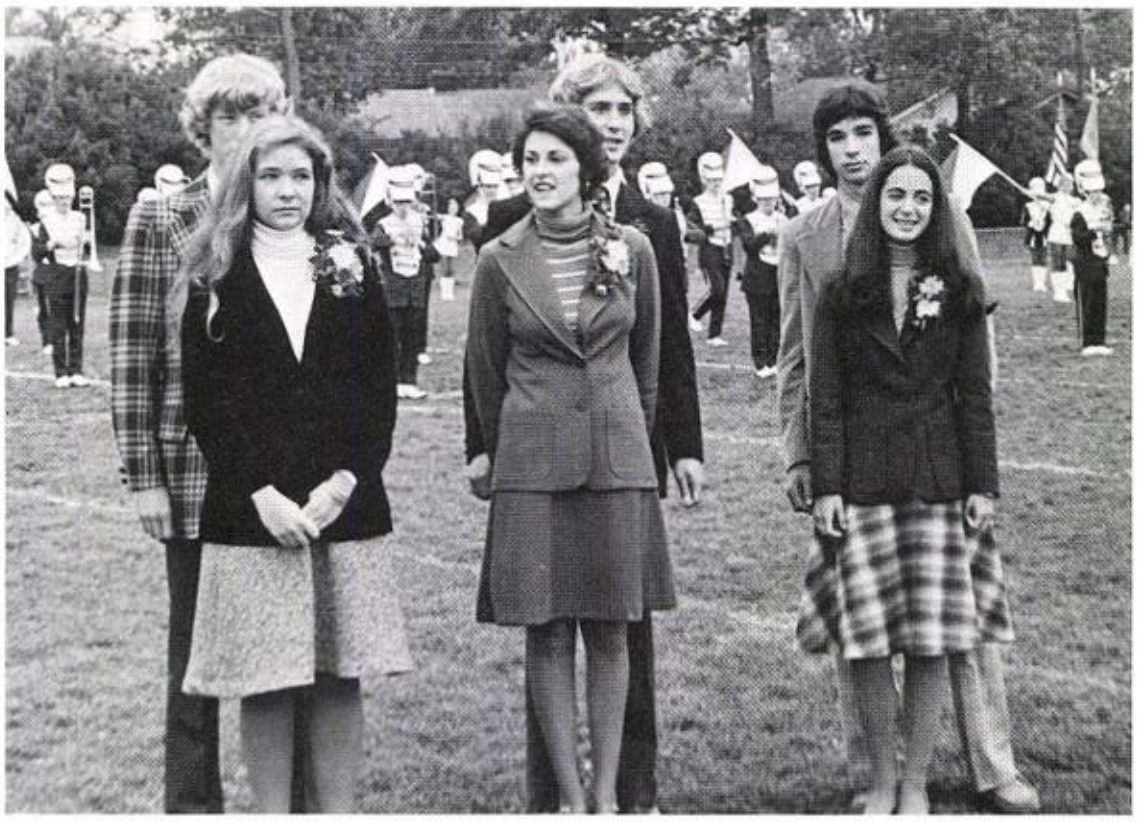


WMPH, the school radio station, operating on a frequency of 91.7 megahertz, accomplished a great deal this year. Through their own Super-Marathon and dance, along with support from the School Board and Student Council, they were able to remodel their studio by adding a new console and news room. Besides music, they offered various community services including coverage of all football, basketball and home baseball events. WMPH is the only FM station with an ABC news affiliation. Mr. Webster was the advisor. Board members were Scott Pearl, Station Manager; Robert Cutler, General Manager; Mike Schwartz, Program Director; John Kaplan, Public Relations Director; Stephen Streiker, Chief Engineer; Joy Vanderlak, Music Director; Bruce Weiner, News Director; Tex Weimer, Sports Director. D.J.'s were Bill Bock, Scott Defoe, Rose Evans, Ross Hippely, Neil Horden, Mark Hudson, Alan Ingalls, Erik Kissa, Andrejs Lizins, Walter Mahla, Michelle Sachs, Dean Scott, Phil Sherman, Guy Vanderlak, John Webb, Mark Wilde. Other members included Vicki Brill, Brian Eyre, Dave Hepler, Wayne Hepler, Ira Horden, Kim Kornack, Gregg Lake, Robin Miller, Ed Pettee, Sue Weimer.

HOMECOMING

The crowning of the Homecoming Queen, a long time tradition at Mt. Pleasant, took place on October 25 during halftime of the Christiana – Mt. Pleasant football game. Senior members of the football, soccer and cross country teams nominate the eight girls who comprise the court; senior class boys voted and selected Karen Huber to be Homecoming Queen. Her court consisted of Debbie Brand, Abbe Levitsky, Jeffrey Pete, Ellan Rubin, Kathy Shaw, Diane Skomorucha and Kandy Vicary.

The day's activities also included a reception in the student center following the football game and a dance that evening.



Kandy Vicary, Diane Skomorucha and Ellan Rubin and escorts Bruce Jornlin, Scott Gregory and Steve Schall.

Jeff Smith, President of the Senior Class, crowns the Queen.

Abbe Levitsky, Kathy Shaw, Jeffrey Pete and Debbie Brand and escorts Jody DiGiacomo, Jay Kogon, Dennie Sterndale and Dave Smith.

MARCHING BAND and BAND FRONT

DIRECTOR – PHILIP DE FRANCO

DRUM MAJOR – JOHN SARMOUSAKIS

Mount Pleasant's Marching Band had an outstanding season this year, boasting the largest membership ever. The Knights marched to a new drum major, junior John Somoursakis. Besides performing at all football games the band participated in its first competition, the Bicentennial parade in Claymont. The New Castle County Marching Band Festival and the June sixth Wilmington Bicentennial Parade also found the Knights playing. To raise money for uniforms, the band sponsors a weekly ecology paper and glass drive throughout the entire eyear. During marching season some band members competed against other high school band members in weekly soccer games.

This year the band front completed the change from flag twirlers to silks. In late August, during the early band practices the majorettes had a professional instructor in residence. Dorothy Parker was captain of the color guard, Laurie Calloway was captain and Suzanne Littleton was co-captain of the silks. Captain of the majorettes was Joanne Bucci and Denise Ritter was co-captain. New squad member Val Rushmere was the feature twirler. Mrs. Mathews co-ordinated the three squads to help achieve unity among the three.

The destruction of the music wing because of the April, 1975 fire did not destroy the spirit of the Concert Choir. The Choir became one of Mount Pleasant's outstanding choirs, even though rehearsals were held in the cafeteria and cramped former faculty lounge. Outfitted in new choir robes the choir gave an extensive eight concert Christmas tour, including elementary schools, Trinity Presbyterian Church, and the annual Candlelight Christmas Concert.

The Spring season of the Concert Choir was highlighted by preparation for and attendance at the Festival of Nations in Washington D.C. from May 22 – June 1. Besides increased rehearsal time the choir raised funds by paper and glass drives, a ballet, sub sales, bake sales, car washes and garage sales. While in Washington the choir performed at various sights throughout the city. Members also went sightseeing, to concerts and theatres. As participants in the Festival of Nations the choir was evaluated by prominent muscians and competed for awards. The annual spring concert was held in May. The Choir also took part in the annual local churches ecumenical service. The Choir Council consisted of Faith Megonigal, President; Mike Henrickson, Vice-President; Mary Righos, Secretary; Robert Huffman, Senior Representative; Rhonda Erickson, Junior Representative; Gloria Chambers, sophomore representative; Damon Forsberg, Freshman representative.

Eighteen members of the choir were selected on a basis of voice quality, sightreading, and harmony to the 1976 All State Choir. In April, All State was held for three days at Rehoboth Beach. Members were

Madrigal music dates back to the Renaissance era when after dinner singing was a type of entertainment. Numbers were performed acapella with four singing voices. At M.T.P., a madrigal group was first performed last year as an outgrowth of the choir. The group was chosen by audition and performed under the guidance of Mrs. Bruerton. In accord with the Bicentennial outfits similar to those of the Williamsburg Madrigals were worn. The group performed at both concerts and several private events. This year's Madrigal singers — Dave Clendening, Rhonda Erickson, Robin Haley, Mary Hawkins, Mike Henrickson, Robert Huffman, Suzanne Littleton, David Megonigal, Faith Megonigal, Linda Minutola, Mary Righos.

CONCERT BAND

DIRECTOR – PHILIP DE FRANCO

ALL STATE

Chosen for their musicianship and technique eight members of the band were selected to the 1976 All State Band. To be selected to this band is a great honor.

Daniel Bregman
Robert Cutler
Michael Henrickson
William Jenkins
Susan MacLean
Linda Mundy
Kevin Payne
Curt Wilson

Practicing in the student center and boiler room didn't keep the concert band from another successful season. The band now meets daily as a class and has a rotating sectional. Once again the Concert Band performed well at the New Castle County Band Festival. In May the annual spring concert was held with the choir and orchestra.

Under new director, Mrs. Joan Harris, the orchestra developed into a strong and exciting group. Because of the fire, practice was held in the drama room. The orchestra had a separate string ensemble that met twice a week to prepare for several performances throughout the year. In May the orchestra gave an outstanding performance at the Spring Concert.

Technique and muscianship were the basis of selection to All State Orchestra. In February, five members of Mt. Pleasant's orchestra took part in the annual All State Concert. Beth Teoli, selected first chair violin in the state, was praised for her performance as concert mistress. For the third year Bob Cutler was chosen first chair bass. Mike Henrickson French horn, and Curt Wilson, bassoon were also selected to first chair positions. Members were

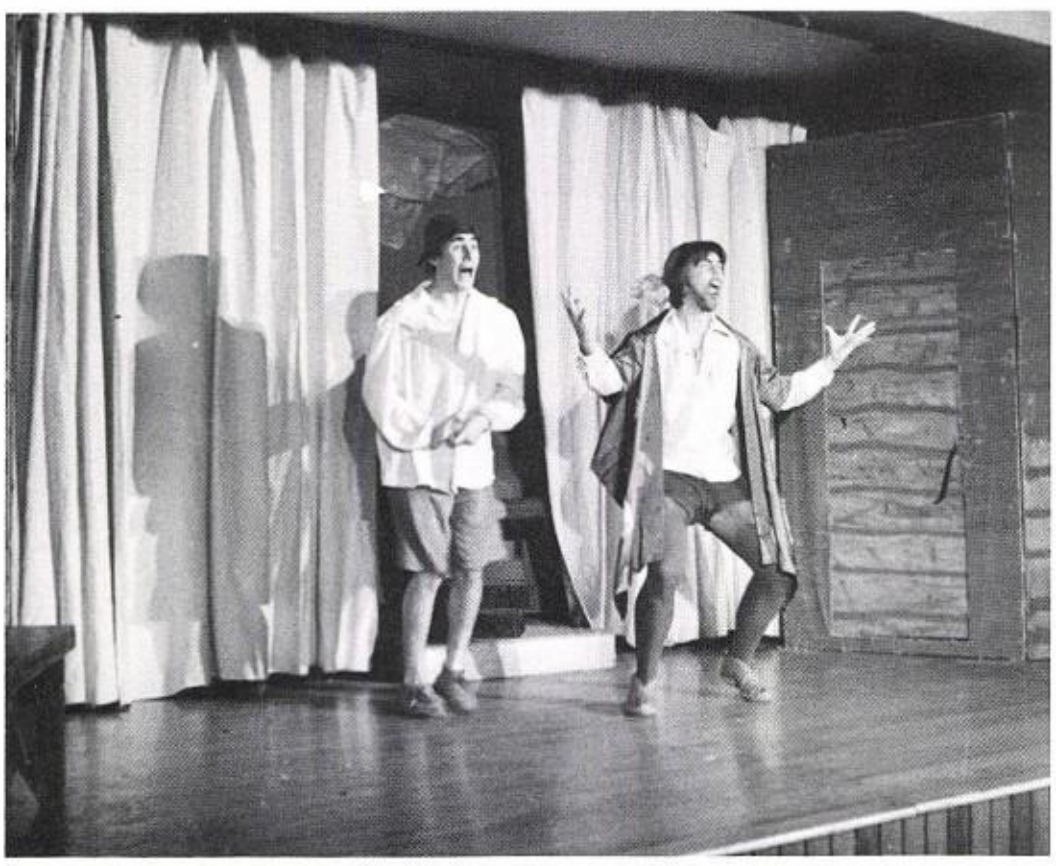
DRAMA

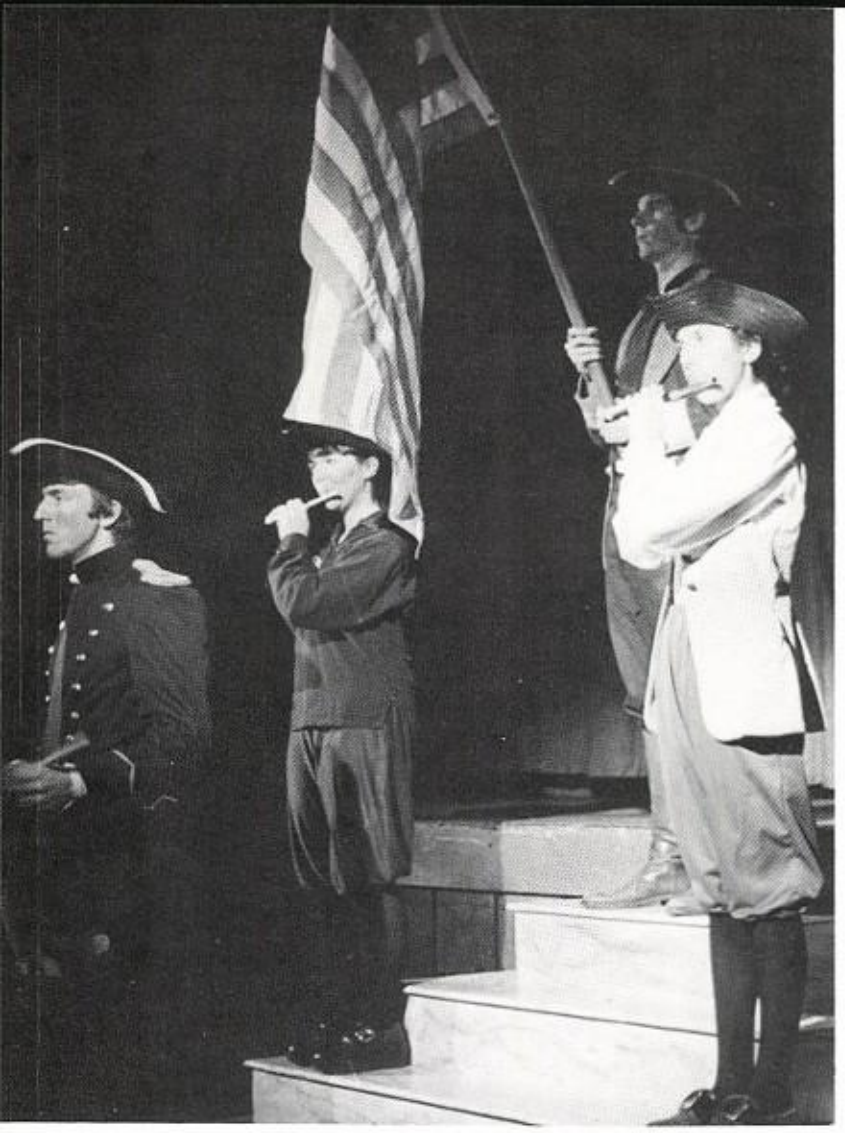
The drama three class produced a play entitled "Gammer-gurton's Needle". It was given eight times to many of the English classes. The play is the second oldest comedy in English and was first published in 1575. Set in a sixteenth century hamlet the play is the story of a lost steel needle. The cast included:

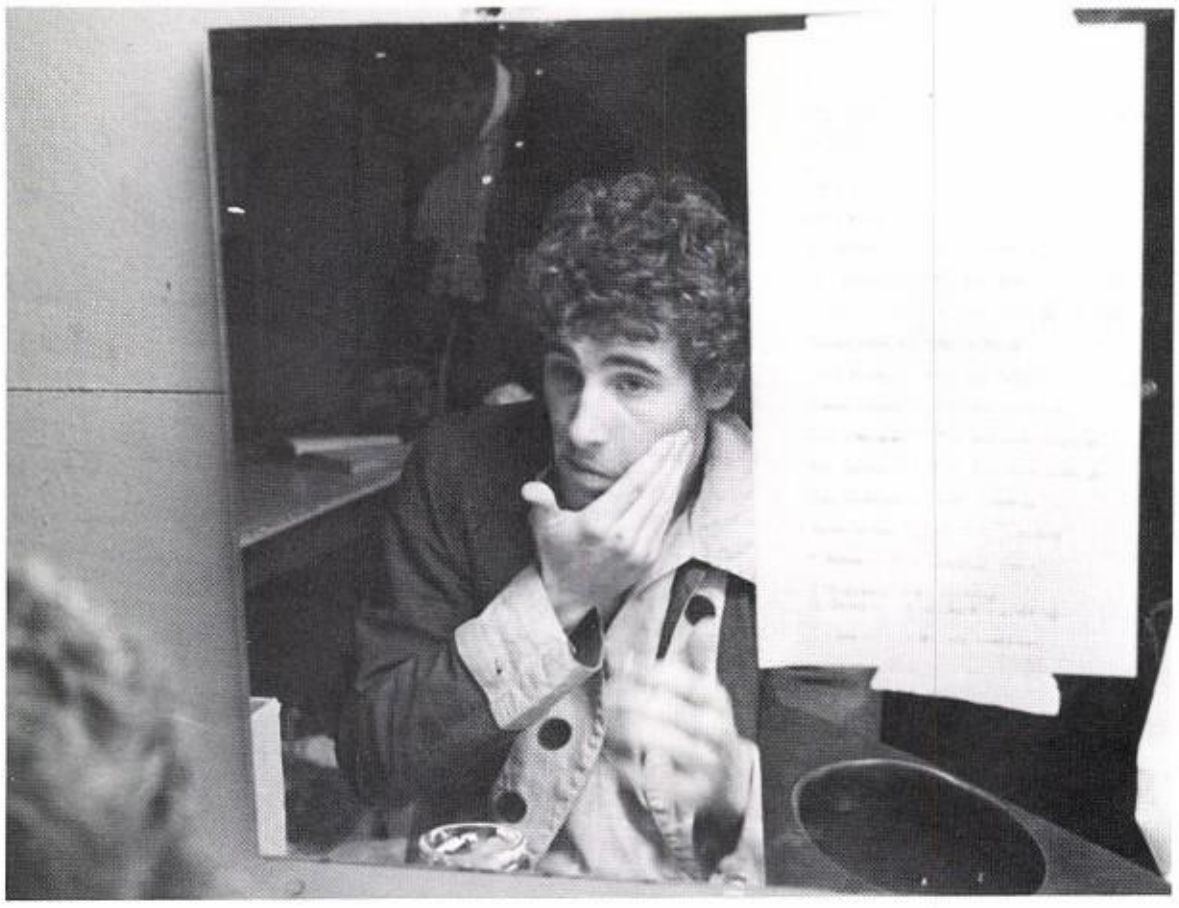
Becky Waring – Gammergurton
Cyndee Raikowski – Dame Chat
John Dossett – Hodge
Alicia Makowski – Tyb
Scott DeFoe – Diccon
Eric Elfman – Master Bailey
Ross Hippely – Dr. Rat

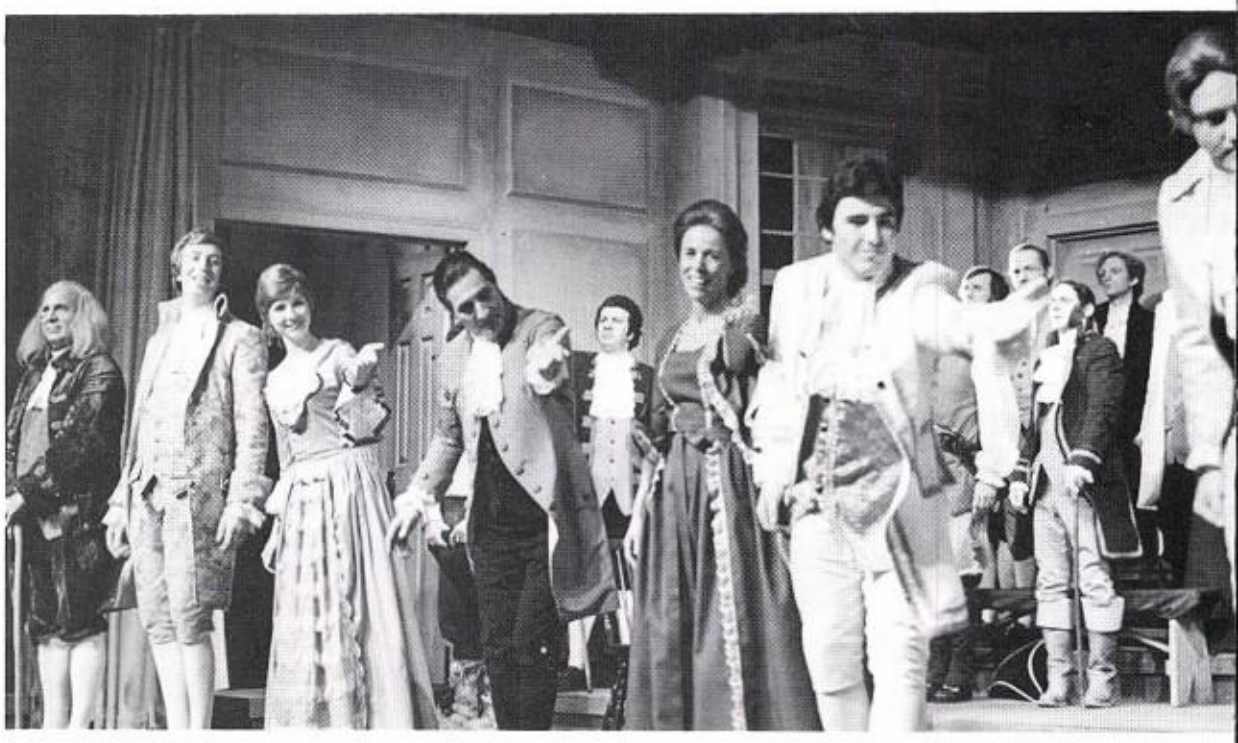
GAMMERGURTON'S NEEDLE



The annual Christmas plays were held in the student center this year. Produced by the drama classes the plays are given for the children of the district. During March, an all school play was staged, "You Were Born On A Rotten Day" and was directed by new drama instructor, Mrs. Clay.







1776

On January 14, the Drama Department sponsored a night at the Candlelight Dinner theatre for dinner and a surprisingly good performance of **1776.** Of great interest in the production was the appearance of John Dosset as the Courier who sings the ballad that brings the war closer to the audience. He was well applauded for both his singing and acting.

The one-hundred and fifty student, teachers, parents and friends which comprised the audience left the theatre with the feeling that our country's official birthday had begun.

April 7, 1975 — The school was settling into the routine after spring break. At 9:20 an alarm was sounded. This time it wasn't a drill, but a fire that in the end would cost a half million dollars. Officially the fire has been recorded as being of suspicious origin.

The fire, fed by costumes, scenery and curtains was so intense that it twisted the steel support girders in the offstage area. The wiring system from the projection booth to the control booth was melted. Water damaged the choral and band rooms, destroying pianos, band instruments, floors and walls. The catwalk, lighting system and tube room was ravaged by the heat, smoke and water. Brick walls cracked. As a result of the severe structural damage, the music wing was closed until major repairs could be made.

After an architect's renovating plan had been drawn up, construction bids were invited. In late fall a bid was accepted. Construction started in December with a projected completion date of August 15, 1976. The major construction includes the new steel girders, new stage floor and brick walls. A storage loft is to be built offstage for props, scenery and costumes. A new catwalk, complete new lighting system and curtains are also in the plans. The tube room will be modernized to transistors and the music wing will be completely rewired. Because of stricter fire regulations a sprinkler system will be installed. The music rooms will be retiled and rewalled, but will be basically the same. The interior of the auditorium will not be changed in appearance; all improvements are backstage. The cost is born by the insurance company for the pre-existing material. The district pays for the additional items required under the stricter fire code.

Fortunately there were no injuries as a result of the fire. In addition to the cost, the people involved in the music department have been handicapped by, a lack of facilities, destroyed instruments and considerable inconvenience. The band has to set up and take down equipment in the student center everyday. Sectionals are held in the boiler room. Choir rehearsals are held in the cafeteria with a borrowed piano. Choral classes and sectionals are held in the borrowed faculty lounge, with a piano that has several non-working keys. The orchestra is relegated to the cramped drama room and the string ensemble meets in the boiler room.

The drama department was also severely hampered by the lack of stage, costumes and props. The annual children's plays had to be held in the student center. One of Mount Pleasant's favorite annual events, the musical, for the first time in five years could not be held. An all school play was given under the direction of Mrs. Clay, the new drama teacher.

The music department should be commended for their effort in continuing and even expanding all possible programs under very difficult situations. Spread out over the school, without necessary supplies and having to spend time helping to prepare for the renovations is an almost impossible task, but one met with determination from teachers and students.

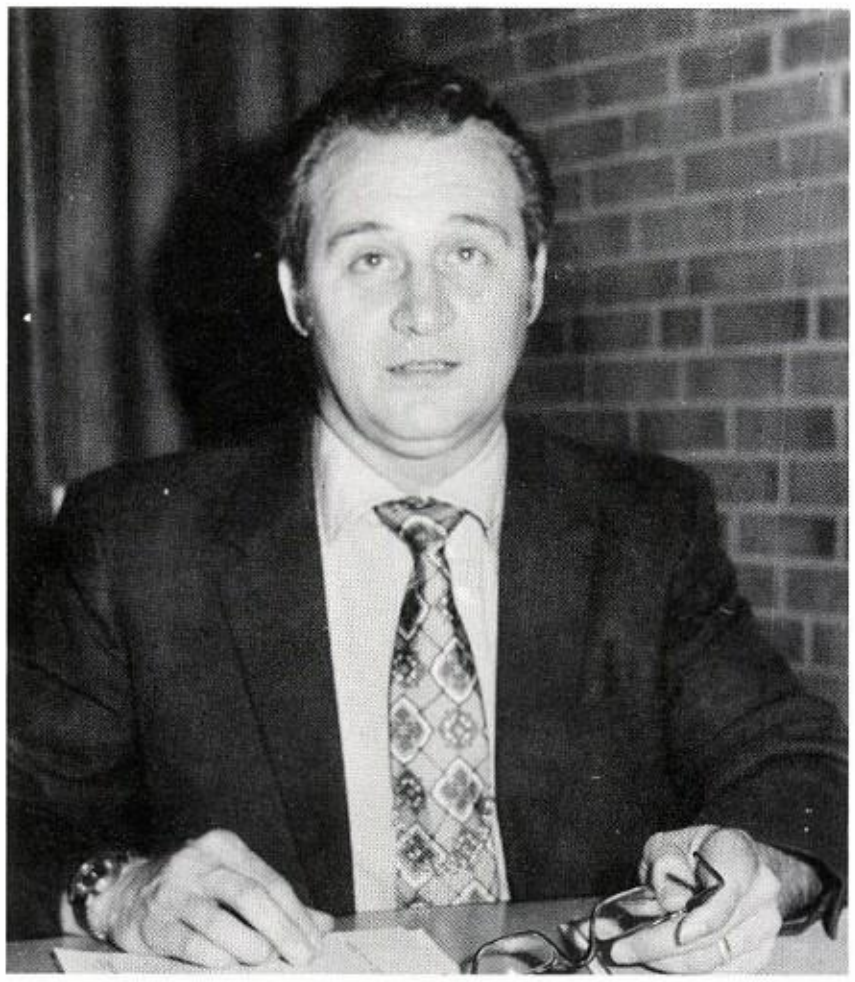
SUPERINTENDENT

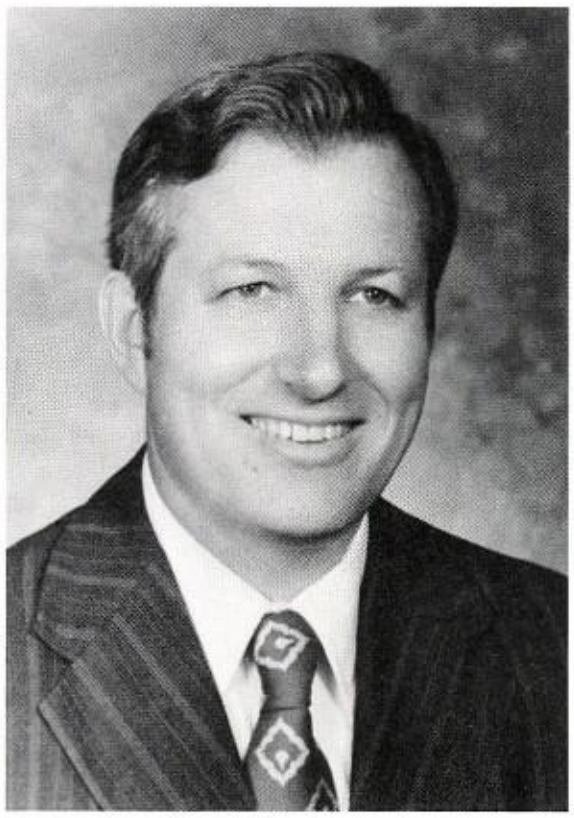


David K. Fauser

It seems that from the first day of his ascendency to the position of Superintendent of the Mt. Pleasant School District in 1973, Mr. Fauser has faced one crisis after another. He has proved his stamina by finding the best solution for a problem maintaining order in the district.

No one member of the staff must attend more meetings or face more problems than does Mr. Fauser, but he always finds time to know the pulse of all the schools. Perhaps it is that his active children keep him involved in the many phases of school life. He is often found at a PTSA meeting, a football game, or at some meeting for the latest crisis which he will have to meet.

PRINCIPAL



John Michalcewiz

Dr. John Michalcewiz, principal since 1966, sees various causes and effects in our educational system. Competition with today's television, the economic conditions which lessen our school resources, and the vast amount of information are all factors that have determined the atmosphere of school. He believes that the trend of school is moving toward dealing with social problems of students as well as the academic criteria.

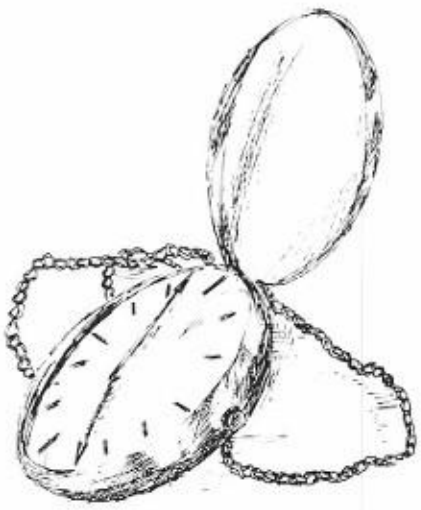
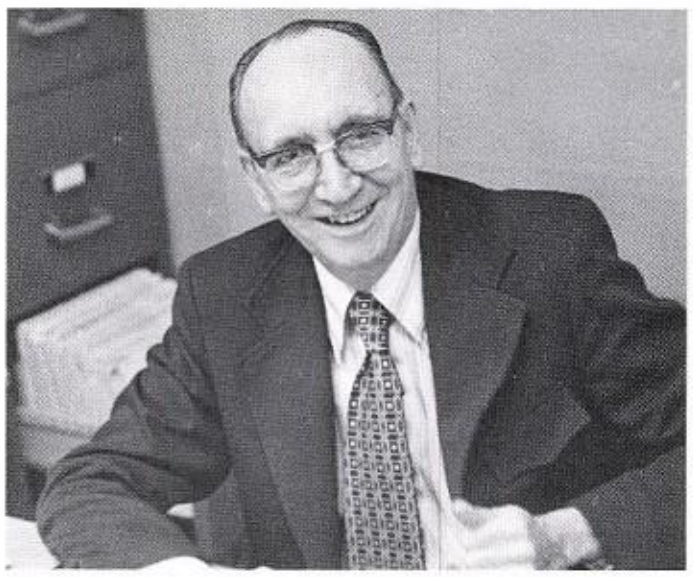
We Will Miss Them...



Kenneth E. Schomborg

Madeline P. Glick



James Gennaria

It was said of Oliver Goldsmith, the 18th century English man of letters, that there was nothing that he touched that he did not adorn; so it is with our man of English who has served the students of this district since his appointment to the faculty in 1956. His reputation as a teacher is well-founded for at no time was his subject area more important than the students he taught. The long list of students who have kept in touch with him is legion.

But he is a teacher's teacher, too. He has served the district well as English Department Chairman whose advice and help has been sought constantly.

Mr. Schomborg's retirement is well deserved; we shall miss his adornments.

Those students who had the good fortune to be in her classes have benefited greatly not only from her excellent teaching but also from her great sense of humor. Because of these attributes, she has gained the respect of both her students and colleagues.

Before she came to Mt. Pleasant in 1961, she taught in Wilmington High School. Their loss was our gain for Mrs. Glick has contributed much to all of us.

As long as there has been Mt. Pleasant High School there has been Mr. Gennaria. He was a member of that first faculty in 1947 and has headed guidance services ever since. It was his task to keep us up to date on SAT's, PSAT's and all the other letters in the alphabeth of testing. The conferences with students, the college admission directors are too numerous to note here, but his influence has been felt by all who have passed through his office. His services to the school have not always been limited to the guidance office. In those early years, when the faculty was not so large, he assisted in many extra-ciricular activities. How well he deserves the days ahead!

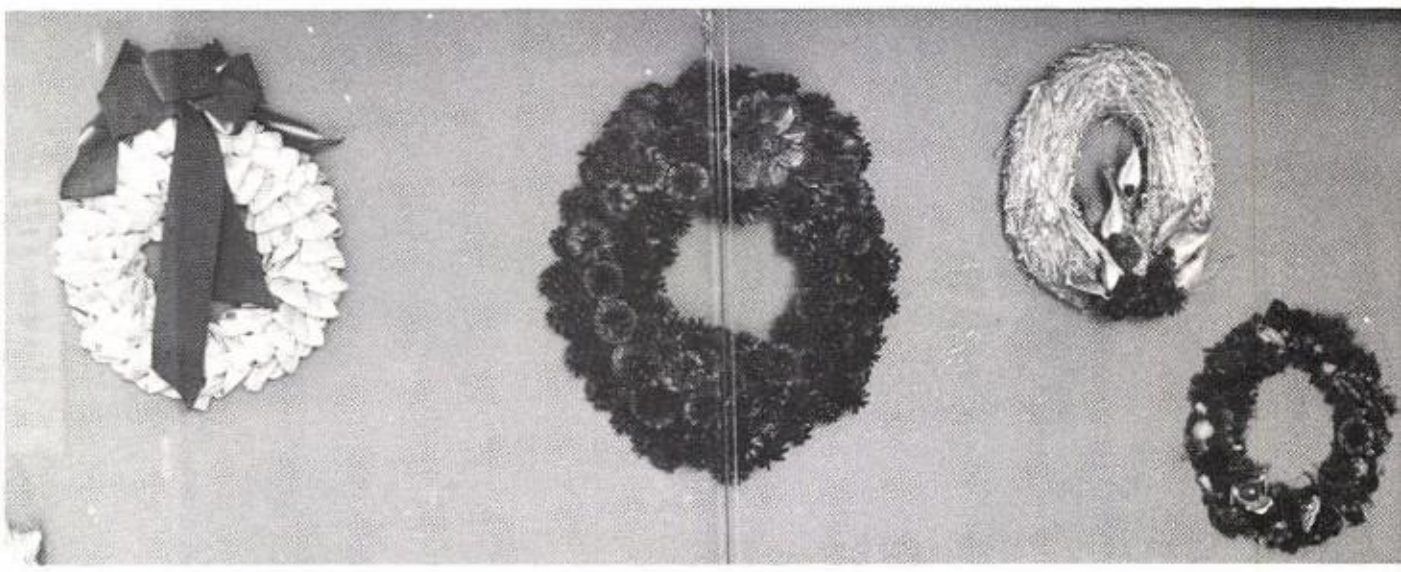
COMMEMORATE THE BICENTENNIAL

The first of a series of exhibits in the school was a display of literary memoribalia depicting the achievements of writers and poets from Herman Melville to Robert Frost.
In December, the main lobby featured a Bicentennial Christmas Tree, the creation of Mrs. Ryan of the nursing staff.



A collection of well known Christmas stories were featured in the library window displays. Also shown were rare greeting cards.

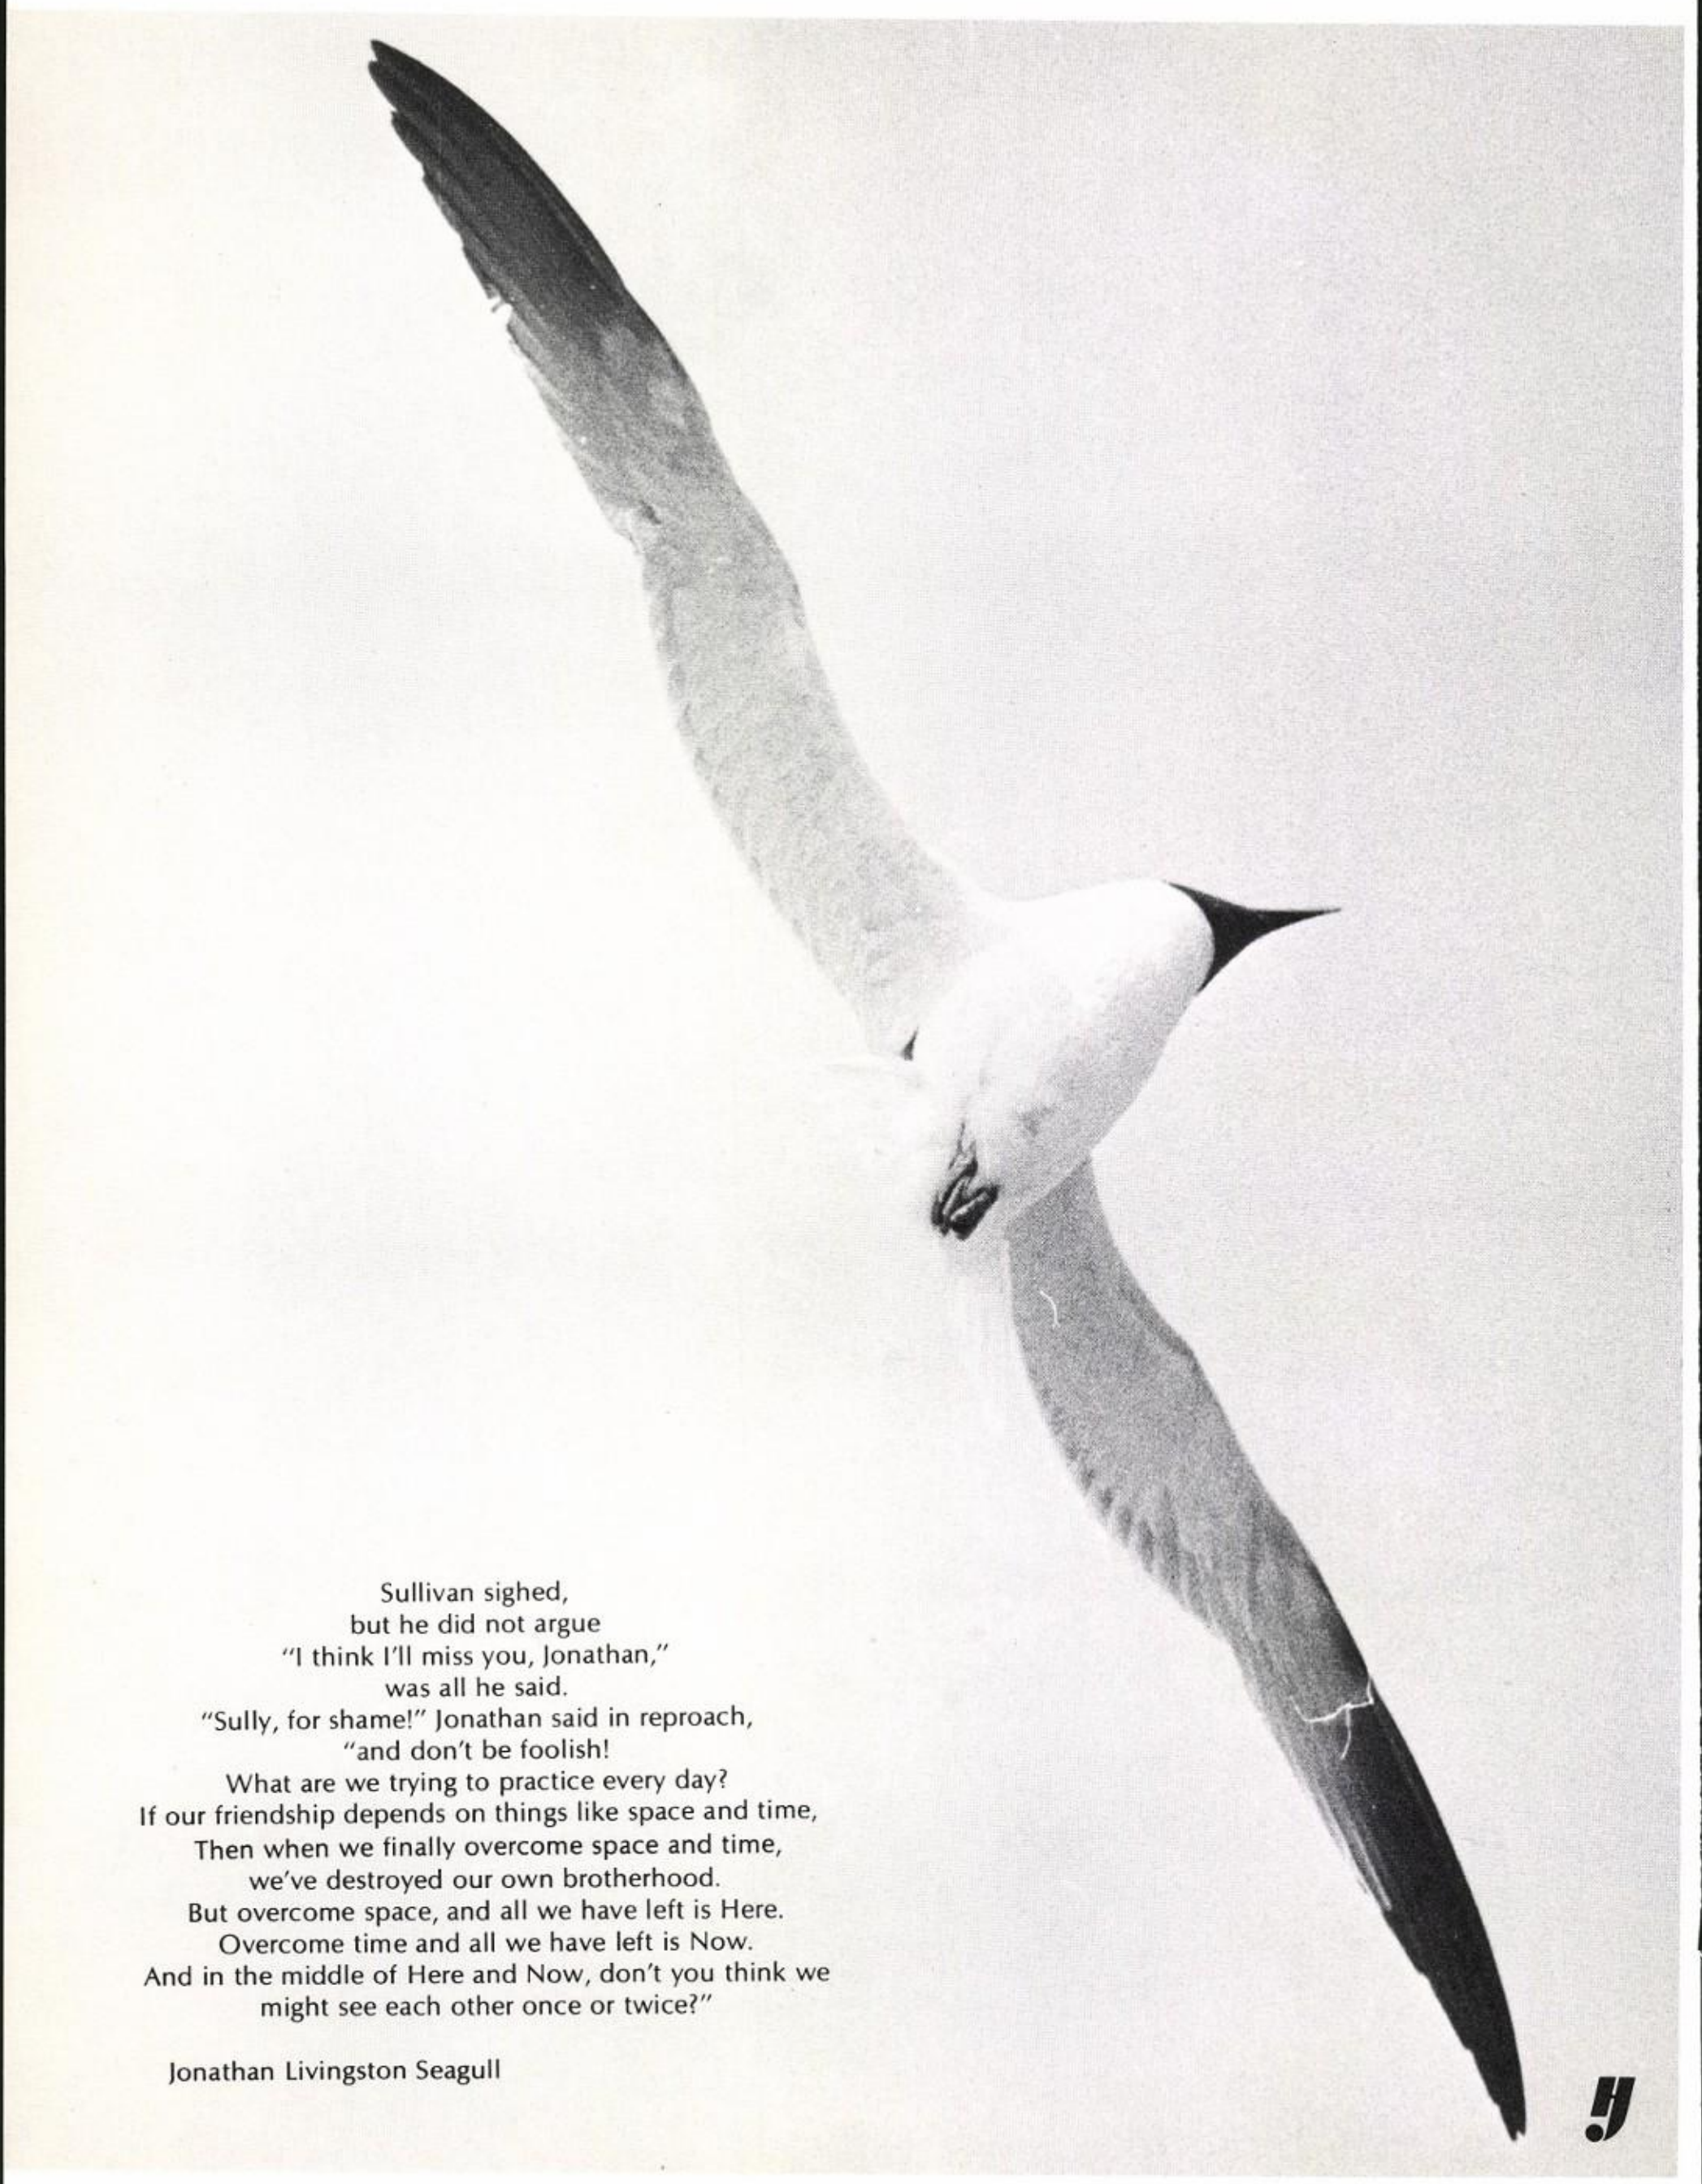
Early American



Sullivan sighed,
but he did not argue
"I think I'll miss you, Jonathan,"
was all he said.
"Sully, for shame!" Jonathan said in reproach,
"and don't be foolish!
What are we trying to practice every day?
If our friendship depends on things like space and time,
Then when we finally overcome space and time,
we've destroyed our own brotherhood.
But overcome space, and all we have left is Here.
Overcome time and all we have left is Now.
And in the middle of Here and Now, don't you think we
might see each other once or twice?"

Jonathan Livingston Seagull
